A Letter of Thanks

For those of you who were unable to attend the cremation ceremony and wake for Greg (Gay Cowboy) Herbert on Sunday the 13th of September.

At the wake following the services I thanked my wife Noi who made this event possible by having Greg's two brothers contact the Australian Embassy to assign Noi a proxy enabling her to have Greg's body released and then her making all the arrangements with the temple. I would also like to thank several others:

Heath Norris (Na Hee Man) who was a great help assisting Noi in moving Greg's body from the Patong Hospital to the temple and for handling many other chores required to set-up the ceremony.

Denny Bowman (Fungus) who helped us on the legal side by guiding us for what was needed to receive Greg's body.

The Pooying GM Oliver (Manikin Piss) for moving the Pooying hash date ahead one week so there was no conflict with the ceremony.

The Phuket HHH (Tootsie) for all the support the Hash gave for their attendance at the ceremony and wake and also their contributions to cover some costs of the Sunday's events.

The Expat Hotel Paul & Gim. They did a great job and gave a very nice donation.

We were fortunate to have Tony Herbert, one of Greg's brothers, arrive Sunday morning in time to attend the temple ceremony and wake. Also, Tony performed a Christian ceremony before the Thai ceremony and cremation. Tony is a catholic priest living in India.

I knew Greg for 40 years. He had quite a journey in life. Starting in Australia, he moved to the UK when he was around 20-years-old where he stayed for five years before moving to New York City for five years before moving to Southern California, which is where I met Greg in 1975. Greg moved to Phuket around 2005.

I am glad to have been part of that journey.

W. Jack Christensen
