Just a quick note from me. I forgot to thank Fungus for Scribing for me whilst I had a sick note for 2 weeks..thanks Fungus!

The GM got in the Hares and thanked them for what was a lovely walk me! He then complained that he had been given Hash shit 3 weeks ago, when he pissed off home early as he was still pissed up from the night before. He said...no more and suggested that Manenken Pis would be by far a better recipient for the shit house seat...I must say it does rather suit him...as he is normally full of shit!

VIRGINS in.. Bob Noxious from Kamila Koma Hash plus a Yank and an Aussie. BN did his drink on the ice, on his fat belly and looked, for all the world like a beached seal! The girls made sure they went home wet!

RUN OFFENSES... L L The Lip got in Fungus as F had openly lied when asked are there any big hills? Not Cleaver got in Mr Fister and JC. Mr F had told us to keep all dogs on leads as there were elephants and rabbits out on the Run. Well as you might know JC didn't. He was telling his dog, forget the elephant just go for the rabbits for my dinner tonight! Manneken Piss got Accident in. As they were running together MP asked "have you had an accident yet?" -no- then falls over as he says it! He then calls in Jiggley Jugs in. As she ran past him she stopped to pick up an old iced coffee can...so she could drink from it! Tough girl our JJ! Blow Job calls for Follow Me and her Virgin mate. They were buying a Hash shirt before the Run..This is XL, she tells him, pulling at her tit....so what size is the other asks BJ (I did think about not putting this in!) Minnie Mouse calls for Oh Yeah and her baby, Pole Position and her baby (dog) and then also got in her own baby, Gremlin. Now Oh Y and PP enjoy their babies but MM says that her daughter is soon to be 18 and wants a car...but mom if

you buy me a car I can bring you to the Hash and you can drink as much as you want..MM said ok then! Mr Fister gets in Jiggley Jugs and Little Bit Dick as LBD ran behind JJ and loved it cos she has a lovely arse! Jungle Balls calls in Bob Noxious, he told JB that he wants a new name as it's the same as his bar..ok now he is Bob Fucking Noxious! Jiggley Jugs gets in Bob F N. On his Facebook he says he eats meat...as a balanced diet! Fungus calls for Google Ass. F tells us that G Ass has been taking pics on the Run for some time but now he is taking videos as well now. Check them out on our web site. Well done G Ass and thanks! Mr Fister gets in But Cycle as BC was wearing a 400 Run Hash cap..who's is that hat you twat...it's Testicle Toms...(he's even causing problems a year after he passed away...well done TT!)

The GM asks his Dad, Who The Fuck Is Alice to tell us that WTFIA has bought a new horn for the Hash (a French one of course!). Alice blows it for us. Thanks WTFIA!

STEWARD....Swollen Colon..Hares in...as there was paper every 250 yards they should have 250 beers..but more paper next time lads! Houdini in. They are going to Burma on a cycling trip. H says we should fly up there..fuck off they can't fly..but they are ok the pilots ware propper pilot shirts..oh that's ok then! Gorgeous You Wanker in as he had told him that his daughter had just married a rich owner of a bank he now has lots of new friends...fuck off , you have never had any friends! Jiggley Jugs and her husband Ice Ass in. They first met working on the rigs when JJ was his boss. IA asked her if she wanted to go out that night..ok JJ thought, at least i'll get a fuck..then i'll dump him...another failed plan of hers!

Mind The Gap and Toad..they were having a bit of a row the other day, MTG says I'm off to Patong, you now I can get 1000 Baht for a blow job...he says hold on I'll come with you..I want to see how you can live on 2000 Baht per year! Butt Plug in. BP is now looking after loads of rooms in his hotels. He went in one the other day and there was a girl on the bed saying can you help me, I have just been tied up and raped...your not having much luck are you love says BP, unzipping his fly! All the Scottish in...what do you call 15 guys watching the World Cup on the TV...the Scottish Rugby team! Good spot SC, well done!
