Well the gang of twelve from the Iron Pussy laid on a demanding Run in the beautiful Red Mountain. They did really well, surely they can't get Hash shit (even though it was our worst smog day of the year. The GM called in the Hares to thank them! (four blocks of ice in the Circle, looks like trouble for the Hares!)

RETURNERS in...16 in all welcome back to smog bound Phuket!

VIRGINS... Well Virgin, as there was only one gay Thai bloke who Twice Nightly seemed to delight in drowning!

RUN OFFENSES..JC was first up to get the Hares in along with Once Weekly. OW was the girls unofficial assistant and JC pointed out the last 3 times OW got anywhere near the Hares we have been thrown out of the site, as almost happened today! Billy Boy called the Hares in again. Bum Scraper told him the girls were having a meeting yesterday..but they were laying the paper! Houdini got Delicious Lick A Lot in as they both ran the King Of The Mountain run and DLAL won the ladies run..well done!

I called for the Hares again and asked why they laid the paper yesterday afternoon, in the rain? They gave a weak, incorrect answer...in fact it was because Twice Nightly can't get up BEFORE..1PM! so on the ice she went! All the English and Welsh in with Gorgeous up front and centre as the smelly Scot! This week the UK Parliament passed a law that only English and Welsh MP's can vote on English and Welsh matters, making the Scots, well useless! EVEL ..English Votes for

English Laws. Sorry Gorgeous, another bet I won! (well, hang on I am writing this stuff!).

Manneken Pis calls in Once Weekly. As MP came late the runners had already left, so OW said follow the blue paper and you will catch them up..no blue paper to be seen! Lucky Lek calls in all the Hares, on the ice (they are now getting a bit wet around the arse area!). He noted that they had a bit of trouble with the land owners today. He told them that they should of talked to him, as his GREAT, GREAT Grandfather had owned land around here (just a few years before they built the golf course!) Billy Boy gets FA Cup in as she is the happiest Hasher here today as SADG is in Aussie! Who The Fuck Is Alice gets the Hares in, sits them all on the ice. He then reveals from under his towel his black shorts..but then turns around to show the girls his arse sticking out! Twice Nightly calls for Paper as on the way here she stopped her car and got out. She asked that OW drive her car past the road grader as she was scared of it (she walked behind her own car!) A shocked Mr Fister called in Rampant Rabbit as he confirmed that not only did he hear RR call On On for the first time..he called it 3 times! Clitmus Pussy got Crocodile Tears on the ice and then called in Ejackulator. He normally sets out early on the Run to get back on time but today he was late..why? Because he forgot it was daylight saving, early start! Billy Boy gets in Minnie Mouse as she said it's the first time she has seen his six pack...yes but it's taken me two visits to Bangkok and 150 k each time says BB! Twice Nightly calls for Dandy La Root and Murkury as they said before the Run it was going to be a Pussy Run..but after they were both stuffed!

STEWARD..Minnie Mouse stands in as a last minute Steward She starts off with a game for 4 blokes and 4 girls. Each couple have an egg to throw to each other. We whittle it down to Always Wet and the Virgin Thai lad, who ends up covered in egg yolk! Well done AW! MM then calls in all her joint Hares...to sit on the ice and tells us that normally these lot are noisy cunts but today as Hares...not a peep out of them. MM then calls in Paper and JC and proceeds to take the piss out of them until JC can't take any more...time to stop! Well done MM, thank you.

VIGIN HARE SHIRTS..with 12 Hares today there should be a couple of Virgin Hares and there are three..Teachers Pet, Crocodile Tears and her mom, Happy Snapper. Well done girls!

HARES in...for the last time, thank god! JC is Run Master today, as MP is the Hash Shit holder. JC gets it down to 3 girls. Pole Position, Minnie Mouse and his misus, Paper. After many heads almost donned with the shit house pan , it finally lands on Minnie Mouse...**THIS IS A SET UP AND UNDESERVED!**

Circle closed by our GM.

SEE YOU ALL NEXT WEEK
