HARE : Swollen Colon

[phuket-hhh.com](http://phuket-hhh.com)

T

he GM thanked the hare and said it would be automatic hash shit due to the autos coming through the circle on a corner of Manik Dam but for me SC came clean and upfront said...lads it's a bloody hard Run all the way up to the top and just as bad coming down...he's got my vote for good Run!

**RETURNS in...**Just the one (is it high season yet?) Welcome!

**VIRGINS in...**Four Frogs..they are wet as a race and went home even wetter!

**VISITING HASHER in...**Just the one...Monster Tits...from a Hash somewhere in the world, sorry I forgot to ask but thanks for coming!

**RUN OFFENSES...**BA up first and got the Hare and Fungus in...BA saw Fungus go up to the top then never saw him again. Well BA , Fungus is that fast! Manneken Pis in as BA saw him short cut at least 3 times! No change there then MP!

GM got Gorgeous You Wanker in for wearing not only new shoes but he was completely colour coordinated from tip to toe (Scotsman , spending money? must of been a set of give-aways!) Manneken Pis gets No Hope in as he had said to MP ..don't go there it's the walk..can't tell blue from coloured paper..even though NH lays more paper than the rest of us put together! No Hope calls for Minnie Mouse and demonstrates ( well sort of) how MM was running, with her legs wide open..must be looking for the young boys or trying to catch flies! OOH don't go there! Bullet Rash gets in the Hare and Blue Harlot. BH was lost four times but then he was on all fours most of the time, no wonder he was lost! Gorgeous You Wanker calls for Barbara Woodhouse as they are Hares next week and GYW tells us that he did half the Run and BW did the other..problem was they didn't meet up and the walk didn't link up to the Run..sounds like a cock up to me! He then

went on to tell us that BW walked into a snake and shat himself...now where has he done that before? Answers to SADG! Lucky Lek gets in the Hare to complain about missing HHH signs on the road and for the laager site...next week we are going to give LL Lemmings white stick! Butt Swollower gets in Barbara Woodhouse and asks him, holding out a small fold up chair, who's is this chair? I don't know says BW..well it's mine and you have shat on it...BW is at it again!

**STEWARD...** Birthless Boatie calls for all the GM's since December 2000, since he first joined the PHHH..BB then asks each GM if they know his name as he has only done 39 Runs in 15 years, take a beer if you know it or a water if you don't..only 2 drank beer! BB only got in on Friday and was going to get his hair cut...then he saw Rampant Rabbit's cut and thought better of it! He then calls Singha in and tells us that our big man is retiring from his restaurant at the end of this year. He had a little get together at his place a did a typical Scottish dish..deep fried Mars Bar..Mind The Gap thought it might make her tits a bit bigger but it all went on her hips! Well done BB, good spot don't leave it so long next time!

**RUN SHIRTS...** Gay Pig Fucker gets his 25 Run shirt. Both Over AND And Done With got their 25 Run Shirts (together..sweet!) a 50 Run shirt for Boring Cunt..well done to you all...keep at it ..but you have to work hard to catch up with **Flying Dickhead as he was presented with his 1000 RUN SHIRT**...what a land mark, well done FD!

**GRAND MATTERESS...**Nar Hee Man..calls in Minnie Mouse. He heard that she was divorced and as it would of been Gay Cowboys birthday today he brought her a fishing game set..to try to catch a new man!

**DEPARTURES in...**just Minnie Mouse and Cartoon...just off for a lovers break to make up..have a good time up north and come back soon...together!

**HARE in...**JC tells us there are four reasons why SC should get Hash Shit...none of them stood up so JC keeps the shit house pan around his neck! GM closes the circle!
