The GM open the circle that had a fine view overlooking Patong by calling in the STEWARDS...I mean the HARES! Even though he was completely out of breath he sort of thanked them for a Tinman type of Run! He then called for the RETURNERS to come in but **NONE OF THEM HAD YET COME BACK DOWN FROM THE MOUNTAINS OF THE RUN!**

VIRGINS in..A yank from Houston, A Frog and two Thai girls all got a good soaking!

RUN OFFENSES...Mannenken Pis called in What- A-Rat and said that was no Run as every time WAR does a Hare MP is took knackered to Run! No Hope calls in SADG and FA Cup as last week they were coming home from the Run and turned left at Heroines until they realized that they were lost..pair of tossers! Moonwalker calls in Jungle Balls and Chastity Belt. JB was saying he had a small op in hospital on his rear...Oh was it keyhole surgery? No, say's JB..arse ole surgery! Mighty Quinn gets in Chicken George and Dr Fucking Jekyll as they walked the walk backwards..again! SADG calls in all the Iron Pussy as he had heard that there was a stag night in the Expat at the same time as the IP was there. The groom stripped off...what were the IP up to he asked?...Due to lack of breath of most of the Hashers the Run Offenses were short today!

STEWARD...Vomit Bomber..Blast Off was one of the Departers who could not get in but he noted that as a past Tinmen GM he always gave 20 Baht beers...GM, why not now? Top Off in also, as they were always shouting at each other as front runners! BO was also getting in the English to take the piss out of them in sport as Aussie was the better team...always, in every sport! With Top Off in VB told us when Aussie played India in Melbourne there were always thousands of Indians in the crowd...he had never seen so many Indians with

Aussie PASSPORTS! Anal Grapes has just got himself a new girl friend and they were talking and she said that having a small cock will never affect their relationship..I just rather you didn't have a cock at all said BO! AG had heard about the drink drive push by the police so he took a bike taxi into town...had loads to drink and thought it better to take a cab...so he did..problem was the cab was still there outside his place in the morning..the same one he drove home last night! Good Spot VB, well done!

VISITING HASHERS...two from the Philippines..Sticky Fingers and Two Mistakes. Welcome to you both Gentlemen!

HASH MUSIC...Elvis turned up today as Bollox couldn't make it. He treated us to a special tribute to David Bowie by getting SADG to sit on the ice and he sang...GROUND CONTROL TO SAD ON BONG! Elvis then got the girls in and they helped him sing with a chorus of DO WOB, DO IT, COME COME. We all enjoyed it even the girls who were out of step...and tune! Thanks Bollox (I mean Elvis!)**NEW SHOES**...Two Thai girls who were Virgins drank out of their shoes with no complaints!

RUN SHIRT...Anal Grapes got his 25 Run shirt..well done!

HARES in.. The Run Master, MP wanted to get Hash Shit for the Run But SADG just would not shut up so MP iced him and he had to keep Hash Shit around his neck for another week!
