The GM called in the Hares in the circle, just off the Old Airport Road on a day that must surely be one of the Best Runs EVER! This, of course might be that yours truly was the Virgin Hare! The fact that Hashers decided to run the Run backwards was not bad enough, Once Weekly ran the Run... TWICE!

RETURNERS in... 5 including Mind The Gap. Welcome back!

VIRGINS in...1 Thai lad and a tart from The USA. MTG gave them both a good soaking!

BIRTHDAY BOY...The GM called for No Hope to have a beer with him on his birthday..HBYC!

RUN OFFENSES..Gorgeous You Wanker called in Chastity Belt and Virgin My Arse..now I'm not sure exactly what happened but GYW asked these two to leave OLD MEN ALONE! Cartoon gets in Assterix as he caught him having a dump on the Run...Assterix try going before you come out (saving paper you tight cunt!) No Hope gets in gets in Cartoon and pointed out that we were asked to have ALL DOGS ON A LEAD...all dogs not on a lead will be shot! Fungus gets in the GM as he saw the GM take a dive...into a bees nest! Lucky Lek calls for the Thai connection and tells us that Pawn Shop has brought along a new Thai Virgin to continue the growth of Thais in the Hash! No Hope gets in

Mind The Gap as she has NEW SHOES from her holiday (not from Toad!)..down goes the beer! Manneken Pis calls in Swollen Colon as he had said there was some bad paper around but MP said he saw him run up the hill ..AND NEVER ON FUCKING PAPER! SC stayed in and calls for Bullet Rash and Creature as SC tells us that it was BR that dobbed him in but in fact, it was these two who lead him the wrong way! What-A-Rat calls in the Virgin Yank and tells us she was a front runner and wearing foot gloves!

HASH VISITOR..A Russian from Beijing Hash ...welcome to Phuket!

STEWARD...Cartoon..Hares in and he tells us that the Hares did a great job...especially the VIRGIN HARE!..well said! He calls in JC, Minnie Mouse, Lucky Lek and SADG who were all in the same bar together. MM looks in a mirror and sees that she looks fatter and older so asks her husband to give her at least one compliment..your eye sight is great! SADG came home to see FA Cup watching a cooking show on TV...what you watching that for, you can't cook. She answers,.well you watch porn don't you! Lucky Lek's son was on honey moon and he let them stay at his house..his other son said, dad is my brother down yet..no..so he went to school...when he got back he again asked his dad if he was down from his bedroom yet...no, no, but why do you keep asking son? Because he asked me for some Vaseline but I gave him some super glue instead! When JC was a farmer he had a bull that in 1st year mated 100 times in a year..then this year every day..Paper said how come you can't do the same...because that bull is not fucking the same cow every day!...Great spot Cartoon, well done!

HASH MUSIC...Bollox makes a return as himself and gets in lots of eye candy for the lads (and his back up!) he gets us all to sing along to that well known Tom Jones...**MY , MY , MY VIAGRA, WHY, WHY , WHY VIAGRA**, with the girls doing a great impression of the Kay Sisters! Another crowd pleaser Bollox, Thanks again!

RUN SHIRT...A black, small shirt...who can it be...800 RUNS...for PAPER..well done, a great achievement, well done!

HARES in..No Hope, Singer and me go in front of The Run Master..just no discussion...GOOD RUN. The GM closes the circle.
