**RUN OFFENSES**...Blue Harlot kicked us off by getting in SADG to tell us they went to a bar together last night and SADG saw a couple of lesbians, he decided to buy the pretty one a drink...as he did the butch one walked between them and said...now you have bought her a drink you want to smell her pussy...yes said SADG...so she breathed on him! Once Weekly got in all the Iron Pussy and told us about how Twice Nightly crashed her bike into a good looking Frenchman so she choose our GM to show how it happened...not quite sure why The GM had to take his shirt off! Twice Nightly stayed in and called for Dr Fucking Jekyll as he had fucked up the bus arrangements for the Tinmen and suggested that if he has such problems, he could call on the Iron Pussy to sort it for him...Ouch! Fungus then got in Pole Position as when he and others stopped at the top of the hill for a breather she ran past them, followed by her dog Be Be, to their amazement...that's my girl...both of them! Anal Grapes took time out to show us a bit of Thai culture...he got a couple of our native girls and then Black Hole Driller and Gorgeous, who he sat down. The girls them gave the lads a relaxing massage with can only be described as a pair of egg whiskers...I think all enjoyed it!

WTFIA in as after the Run last week he came in with his wife for dinner...a man was giving him a bad look all night...WTFIA asked MP why is he looking at me all the time...well because he knows you and you never said hello when you came in..so he went over to him to say hello...he didn't know him! Blue Harlot and Teachers Pet in...they also came to his place for dinner...an old lady said to MP...I could never do what you do...what's that asked MP..well you know, serve these 70-year-men with 15-year-old girlfriends (not sure if BH was pleased or pissed off with the 70 bit)! Na Hee Man in ...he said he would follow the bus on the Tinman and sort MP's bike out at the end...well NHM locked MP's keys under the bike seat!...Good spot MP, thanks!

**HARES** in..JC our Run Master said it was a good Run and told us that he had never Run in this area before but he also told us that this was the same area that Reverend Finger Licker had lost his truck and could not find it for 3 weeks, so he put out a 10k reward....which his wife claimed when he told him where it was!..Anyway good Run was called and well deserved too..GM closed the circle
