phuket-hhh.com

Our leader opened the circle in the beautifully named...Kathu Central Drainage Area...I can't wait for a Run at the Sapan Hin Waste Disposal Incinerator! He thanked the Hares for a good Run.

RETURNERS in..six in total including Bill The Dick, first time in 13 years, Rain Man and his daughter, Gift, first time for nine years (Rainman, please bring her again, you don't have to come- just her!)

VIRGINS in... Four French (I said..where do you keep getting these new Frogs GM? ..some twat shouted out...FRANCE!)..and a lone Aussie...Fungus targeted the girls...just for us!

RUN OFFENSES...for a change, I kicked us off by calling in the Hares...just how small can the HHH signs get, as I showed them a stamp! I stayed in to get Mind The Gap...on the ice as she was guiding the bus

driver but fell asleep and consequently the bus was 10 minutes late! I gave her a map of Phuket to help next time! I then got in Teachers Pet in as I watched as her dog came out of the stinky, black water and I said..what dirty, black legs...she checked her own legs! Blue Harlot told TP to stay in and told a story about when they were in England and TP wanted to try the hottest of the hottest English/Indian curries..Phall (Birmingham invention!)...a table of 16 watched in horror as the waiter delivered it at arm's length and she downed it with a smile! BH said it tasted similar to when a Thai girl eats hot chilli and then pisses on you...yes we have all been there! SADG gets in the Hares and tells them they are lucky as the sun was not out today and there was NO shade on the Run, only open land...lucky Hares are always good Hares! He then got in Gift and tried as hard as he could to swop shirts with her, as she did not have a Hash shirt..alas, no take it off, put it on, what a letdown..her, not SADG!

HBYC...Slow Cunt is 75 years young today...has anyone told him?...HBYC!

STEWARD...Fungus came in with arms full of props...but first gets in Bill The Dick as he had asked what's the Down Down song for...just to get another free drink! Pole Position in next...he tells us this is what a US President would look like if it was a lady boy...then put a OBAMA face mask on Pole Position! J.C. and Paper in next. Fungus tells us that J.C. came home shit faced, with sick all over his shirt he gave her some money and told her that a man had puked all over his shirt..then gave her a

second 500 Baht note...what's that one for?...that's from the guy who had shit in my pants! Slow Cunt in now, Fungus tells us he got himself a new smart phone for the first time and had little idea how it worked..somehow he got his phone locked into the future by two days and only showed the last everything as Slow Cunt. Everyone offering to help kept asking who is Slow Cunt?...how can a simple smart phone fox our Web Master!..Now for the props..Fungus asks us who do we want in the White House..and shows us extra large pics of...Mrs Obama..not looking too good...shouts of NO NO! then an even less appetizing Mrs Clinton..again NO NO!..then a beautiful pic of Mrs Trump...yes, yes, yes!...vote over...**TRUMP WINS!**..great spot Fungus...thanks for the pics (which SADG kept!)

RUN SHIRTS...a 25 Run shirt was given to Transporter...then a Black 400 Run shirt...take it off , put it on?...it was a small shirt for a girl...yes, yes...in comes President and takes it off..but has WTFIA's plastic boobs on..false boobs and false hope! Even so, good fun, well done President!

HASH MUSIC..GM asks Bollox to teach all the French just how to sing our Down, Down song..Bollox make short shift of the Frogs....they are true, all Bastards through and through...diddly, doddly, diddly lay..well he tried his best!

DEPARTERS in..Only three including Dr Fucking Jekyll, who is on his annual break to pick apples in the SW of England..have a good trip Doc!

HARES in...Our Run Master, J.C. was not too impressed with the Run but there could only be one **HASH SHIT**...Mind The Gap for making the bus late when she fell asleep! GM closed the circle in the dark!

ON, ON, NOT CLEAVER

SEE YOU ALL NEXT WEEK.
