Our GM, doubling up as a Hare got in Manneken Pis at Patong View Point and told us even though this is a SUNDAY Run it was one of the best this year....I fear Hash Shit a coming!

**NO VIRGINS** today but a truck load of **HASH VISITORS**....I say truck load as they are from BURMA and we all know that Burmese only travel in the back of large trucks..they were happy to be here but not too happy with their overnight accommodation...corrugated iron sheds, miles from nowhere in the rubber! A big Welcome to GIGGLE JOE, WUNDER BRA, LE PIMP, CUM CHICKLER, \$5 MORE, SLEEPING BEAUTY, COMATOSE...Thanks for coming, please come again..the GM said he will put you all up at his house next time!

**RUN OFFENSES**...I start with the GM as he was the one who told us it was his birthday..a, sad loner! Fungus then gets in Top Off as he calls out ...checking but was standing on paper (not for the first time!) Chicken George tells TO to stay there and tells us that as TO ran passed him rocks fell on his dog...lucky he didn't eat him CG! Manneken Pis gets in Clit Zipper...CP was talking to MP but he couldn't understand him as CP was NOT drunk today! Lucky Lek gets in the Hares and talks about blue paper..that's about all I got...Luck Lek...please buy a walkie talkie and then we will be able to understand you better! Fungus asks LL to stay and informs us LL may not be able to find blue paper but he couldn't find the laager site as he called Fungus...I know I'm by the sea and I can see the mountains..that's about it! jungle Balls calls in Comatose as he is a Belgian and gets him on the ice with our own Belgian Hare! One of the Visitors comes in and says she can here lots of FRINGLISH being spoken so calls in the French just to see how many we have..answer? too fucking many!

**STEWARD**...Our Scribe was our Steward today and did a great job in entertaining the troops by getting in many of our members to ....take the piss out of them...well done ME!

**HARES** in..Now as Manneken Pis was on of the Hares with our GM JC took over he called in a few of us...including me and asked just who was going to get Hash Shit? The loudest roar was for Manneken Piss as he got loads lost and was still laying paper as we set off...enjoy the seat MP..well done!

The GM closed the circle and reminded us to turn up to the Expat hotel for our 30 Year party...be there and enjoy the fellowship of Phuket Hash House Harriers!

ON ON, NOT CLEAVER  
SEE YOU ALL ON FRIDAY NIGHT AND ON SATURDAY!
