Hares: Who The Fuck Is Alice & Kiss My Ring

phuket-hhh.com

The circle, outside Froggy's Hash bar was opened by the GM and he thanked his Dad and the other Hare for their work. He kept in WTFIA as it was his 73rd birthday...HBYC!

RETURNERS in...eight including No Hope from his travels up north with the Hill Tribes (not sure what he was up to this time!) Welcome back all!

VIRGINS in...TEN two from England, a Thai girl and 7 giants from AUSSIE (mates of Mr Fister and built like him...you know... shit house doors!...I'm glad I'm not Fungus today (come to think of it I'm glad I'm not Fungus.....every day!)

STEWARD...Butt Plug...He got in the Hares and gave them a beer...then he got them in again for another beer for our free WTFIA birthday tee shirts...well done. He pointed out on the back of the tees were runners and that the French won the race...but the Welsh was on the floor...drunk...well they got one right!? He then called in the beer bitches and told us that one of them (didn't say which one) has a Yank for a customer...I mean boyfriend. He gave her a special gift...a super duper vibrator...a plug in type...the beer bitch in question went to her room to try it out...plugged it in...turned it on and **FUSED THE WHOLE HOTEL!** Bum Scrapper and Woodpecker in next..BS asked to buy her old tread mill running machine...Woodpecker just thought she wanted to keep fit when it rains....NO, IT IS FOR HER DOGS!...great

early spot BP, well done and thanks!

RUN OFFENSES...Butt Plug gets in the Hares...but this time he pointed out that, yes the French were seen to have won the race on the back of the free tee shirts...but they need a black man to do it for them! Manneken Pis gets the Hares in again to point out that their shirts are a bit like the French football team..of the 23 players only SIX WERE BORN IN FRANCE! Mr Fister gets in JC and a couple of the Aussie shit house door guys...Mr F tells JC these 2 are cops...so JC must be careful of drink driving from the circle today! Jungle

Balls gets in Manneken Pis...tells us that he went to the barbers yesterday to ask for a shave..before he could tell them to stop they had started to shave his HEAD, so he let them carry on! GM tells MP to stay there as he looks like a big dick..I get in to ask MP to stay there again and turn him round and say...well I think he looks like a coat hanger with those ears! MP then calls in the Hares and tells us that WTFIA bought new rope for the climbing bit on the Run but the Burmese stole it and he had to replace it with a bit of old tat! 15 gets you 20 gets in all the fit looking young AUSSIE men and tells them..no Hash shirt...no shirt...get em off...just so the little tart can lust at their bodies..(you can do that with mine, if you want 15/20!!!!) Clitmus Pussy gets in Jungle Balls, GM and Manneken Pis as they went out the other night to watch the footie and JB came home VERY late and VERY drunk...so drunk that he was crawling on the floor looking for the bathroom door HANDLE! but no one is sure WHO took him home as the other 2 said they didn't!

DEPARTERS in...I am not going to mention those fit young Aussies AGAIN..so I won't...Now piss off and don't come back!

HARES in...JC was our Run Master but there was no way we were letting him take Hash Shit away from Manneken Pis...circle closed!

ON ON, NOT CLEAVER

SEE YOU ALL NEXT WEEK
