Hares: No Hope, Not Cleaver, Singha

phuket-hhh.com

Before we got underway Not Cleaver and No Hope read out, in turn, the SIXTY-TWO names of members of PHHH that have passed away. The reading was superbly observed by the whole circle in respect of all the names that are now HEAVENLY HASHERS. Every one joined in with a prolonged round of applause in remembrance of the fun and fellowship we shared with our mates no longer with us. RIP.

The GM called in the Hares to thank us for a beautiful Run and laager site, on a beautiful day in the north east of our beautiful island.

RETURNERS in...just the four, welcome back!

VISITING HASHERS...two Krauts from New Deli Hash and a young lady from Indonesia. Thank you for visiting us.

RUN OFFENSES...No Hope kicked us off this time with a request of our GM...please discount the beers for all Brits as BRIXIT has caused the Pound to drop in value! Manneken Pis gets in the Hares and Hard On as HO had laid pink paper on the checks and stuffed it up for the rest! Gorgeous gets in two very young lads to explain about shouting ON ON when on paper...maybe it might of been more use to explain BEFORE the Run Gorgeous! Mr Fister calls for Dicksapointing and Virgin My Arse (they still here?) Mr F was in the car with them on the way here and a bit of back seat driving was going on by VMA...this way, no that way..you tosser! Oh well they got there even if they are not talking to each other now! Singha gets in Fungus as after the Run Fungus thanked Singha for the Run but said it was a bit flat and that he makes up time on the Run when there are more hills, something to do with balance. Singha pointed out that Fungus is so short he could not wish to get a better center of gravity if he wanted..short arse! Mr Fister calls in Dicksapointing and Manneken Pis as it seems they both went to the same BLIND BARBER and looked like something from Belsen..everyone laughed...except our visitors from Germany!

STEWARD...Minnie Mouse... she starts with Bum Scraper who is a year older than last year...HBYC!

She tells us that BS's niece said she had a problem with her boyfriend and wanted to borrow some money as her boyfriend says she needs new clothes..BS told her niece she did not need any new clothes but she did need a new boyfriend! At this point MM had a bit of PMT and said something like..fuck this, Cartoon can take over...now husband do what you are told and carry on for me! So like a berk...I mean like a good husband he did his duty (I know what I would of done!). Cartoon entertained us for a further couple of minutes off pat...well done Cartoon..he then took MM's thumb off his head and sat down!

Singha asked Cartoon to come back to the circle and take two beers as he had done a wondrous job without any notice due to MM's PMT moment!

RUN SHIRTS...the GM got the Iron Pussy in to present Disparu with his 300 Run Black shirt..we didn't really need to see his shaven chest..but what the hell, it was good to see all the girls in the circle...well done Disparu!

HASH MUSIC...Bollox was under the weather today (still in bed!) so the GM invited Lucky Lek to give us one of his songs...when I say one of his songs..he only has one! AMAZING GRACE..well I think that's what it was! Well done LL..don't give up your day job!

HARES in...In we come again with JC as Run Master as Manneken Pis holds Hash Shit...after such a beautiful Run (GM's words not mine!) we were never going to get Hash shit for the Run...JC noticed that there was a bit racing going on so Rampant Rabbit was called in and the circle voted anti racing so RP gets the shit house seat this week!

ON ON, NOT CLEAVER

SEE YOU ALL NEXT WEEK
