[phuket-hhh.com](http://phuket-hhh.com)

**Our new GM (me), opened our new Hash Year in the circle** at Cherngtalay, Soi 1 by calling in my co Hares, No Hope and Singha..It was agreed by us that it was, once again a good Run! (but we shall see?). A new spot was introduced by Lucky Lek...Announcements. Thank you LL!

The GM kicked off by asking all members to please respect the Steward or anyone who comes in the circle to entertain us all (or even the GM!)...to help maintain peace and order SADG will once again be our very own HASH HASH...so friends please help us by listening to your mates when they come in the circle...you could end up with a wet bum courtesy of SADG...Thank you all!

To encourage and thank the Stewards, for the rest of this year the Stewards will receive TWO FREE BEERS on us!

I feel that we should widen the involvement of ALL HASHERS in the circle. To assist this, the GM invited anyone who has never been called in by a Steward to have a beer with him...WATCH THIS SPACE!

Blue Harlot was introduced as YOUR NEW JOINT GM. He will play a more active role this year than traditionally played by JOINT GM's...GM also told us that a new feature of this year will be chance for a few Hashers, who cannot afford time to be GM for the whole year to be GM FOR A DAY..I have already discussed this with certain members..I am sure you will all enjoy their chance to shine for you!...WHO COULD THEY BE ?

**GM announced this year's OUTSTATION RUN.** This is to be held on 14/15/16 October 2016 at KHANOM...This has been THREE YEARS in the planning and will be a superb event. I PROMISE IT WILL BE A WEEKEND YOU WILL NEVER FORGET.....Please book up ASAP and ensure you ARE PART OF THE FUN ! ([view website details](#))

All the girls were brought in for the announcement that the Annual Hash Ball is back...This will take place on FRIDAY 02 JUNE 2017...they all seemed pleased ..so everyone is invited to celebrate the Hash year...more info closer to the date...the Hotel is already booked!

**RETURNERS** in..only three to come and see their new GM..welcome back!

**VIRGINS** in Six, A Paddy, A Englander, A couple from Aussie and two young girls from Bradford and Leeds, UK..They were not sure who was from where? GM spent most of the time talking to these two

beauties....do you blame me? We welcomed them with just a bit of water!

**VISITING HASHERS** in..Street Walker and Dr Who from Aussie and What Da Yu Mean and SuSu Nonna from Hashs all over the place...we had a competition for them...sing a song, tell a joke or just a story from their Hash...Dr Who won hands down...but I felt he cheated ...as he sang in THAI !! He won a Hash Shirt...Let's give all our VISITING HASHERS a Great PHHH welcome every week!

**NEW MEMBER**..Only one came in Bjorn, who is leaving us again this week..but you are most welcome when you come back to Phuket!

As your GM is also your Scribe..this tosser forgot to make notes from this spot...but I promise I will do next week!

**RUN SHIRTS**...Your RA and past GM...TOOTSIE got his 200 Run Shirt...he just had to show his young, fit body to us...well done Tootsie!
