[phuket-hhh.com](http://phuket-hhh.com)

**GM got both our Hares in** to thank them for their work. Once again I did not get on the Run but it seems most were happy enough upon their return to the laager, just east of Heroines!

**HASH HORN**...was not here today so our very own Mind The Gap was given the task. The circle said she did a good job, even though she kept us all waiting as she was having a poo before we set off! Well done MTG (the Hash Horn not the poo!)

**LUCKY LEK SPOT**..Khanom update..80 now booked with 2 hotels now full...come on don't miss out..join us for a great away trip! Once Weekly came to tell us he is giving us 30 Baht beers! Thanks OW and...HBYC!...Even more popular than 30 Baht beers was...Oh Yeah coming in for her birthday..HBYC!..Our New Member, Not Long Enough came in to tell us he was about to break a world record for combination of things (not sure what) and he was putting a charity link on the Hash Facebook... Well done NLG!

**RETURNERS** in..loads as the tossers who deserted us last week for the Bike Hash AGPU came back to us for their free beers!

**VIRGIN** in..Only one, from Darwin in Aussie (The girls liked him!) This week's water babes, Virgin My Ass and Chastity Belt..did their job..but only just!

**NEW MEMBER**..In comes again.. Not Long Enough on his 5th Run..Welcome and please make sure you come as often as possible!

This week's Blue Pipe drinking test was between our New Member and our lone Virgin..what

happened? You guessed it..they stuffed it. McFurher and Billy No Mates came in to show them what to do...and what happened..they stuffed it too by throwing beer over each other..pair of tossers!

**HASH MUSIC**...Yes Bollox is back! He did what he does best and got us lots of eye candy in for his backing of his ....**THE GIRL FROM SINGAPORE**...the girls did what they do best ..with **BUM-TITTY BUM-TITTY-BUM**...with all the actions...Yes we all listened to Bollox but we were all watching the girls...Great Music Bollox and thanks to

the girls. Well done to all of you!

**STEWARD**...Saint Blow Job.... Blue Harlot in first as he called BJ last Sat when he was resting by the pool having a BJ...sorry G&T! ..As he was this week's Steward, his wife was taking ages to iron his Hash shirt..He couldn't bring himself to tell her it was..non iron! BJ tells us he has been happily married for 7 years but married for 20 years..he bought her a new mop (no expense spared BJ). it was one of those auto mop and buckets..well it was going round and round and the dog was going nuts...is it supposed to do that asked his wife..fuck know says BJ..it's your present! BJ has been in the Hash for 30 years or so and has never seen a GM sitting at his table as he was in a office..whatever happened to the scrap piece of paper of the old days?... ( SCRIBE'S NOTE...I THINK THE GM IS DOING A GREAT JOB!) Creature in next..BJ tells a story of lore..A Hash many moons ago he and Creature were Running together (BJ Running, must of been a long, long time ago!) and it was pissing down..she fell over not once, not twice but thrice..each time she declined his offer of help..as they were almost at the end they were Running through deepish water and Creature got a stick caught up her twat.. BJ turned to help...and thought..bollocks to her and Ran on! Sucker in next. BJ tells us that years ago he was in a airport when he saw Sucker...hello you fat bastard and sat down next to him...a bloke he never saw before in his life turned round and said what?!...Great spot BJ..Thanks..hope you enjoyed your free beers!

**RUN OFFENSES**...JC in first this week (anything to stop him yakking in the circle!) He calls in Rampant Rabbit, Hard On, Houdini...our front Runners..JC also brings in Paper..the other night JC was watching TV (and drinking beer, see he can do two things at once!) when he noticed one of his shirts on the floor..it was an old HASH shirt she had been using to clean the floor with...and it was one of his favourite shirts..given to him years ago, when he was...FRONT RUNNING BASTARD...he gave it to Rampant Rabbit..well done RR! Manneken Pis missed his first spot but managed to get in second by calling in Murkury..Laying the paper this morning M said..I will lay the blue paper..you take my dog and walk back to the laager site...all very good but when M had pissed off Tyson the dog would not budge and MP had to carry the dog all the bloody way back! Murkury got his co-Hare and Run Master in, Manneken Pis..Now it is the RM's job to put the directions to the Run/laager site on the web site...which he did for this week's Run but MP got lost on the way and Murkury had to go and find him!

**DEPARTERS**...Only Jungle Balls..he's off to France for two months..I told him not to stand by anyone who has a dodgy beard!..Have a great time and come back to us safe!

**BEER BITCHES** in...Thanks girls..this one's on us!

**FOOD HERO'S**..in come our food junkies..thanks ladies!

**NEXT WEEK'S HARES**...Gorgeous, Lucky Lek, What A Rat and VIRGIN HARE..Any Cock Will Do..They told us about their great Run next week...see you there!

**HARES** in..As Manneken Pis was a Hare, JC was today's Run Master...he took the hash Shit seat off Jaws and said as he thought it was a good Run and the circle agreed..he wondered who could get HASH SHIT..Me...The GM..never! (just cos he did not know it was 30 Baht beers) I could not accept it..so I gave it to JC...for not listening!

ON ON, NOT CLEAVER (GM & SCRIBE)  
**SEE YOU ALL NEXT WEEK FOR FELLOWSHIP AND FUN**
