VISITING HASHER...Tender Dick from Queensland, Aussie..He told us a funny story about his Hash...funny enough to win one of our 1500 Run shirts..Thanks for coming TD!

NOT OLDIE BUT GOLDIE...No Cup and Gorgeous came in to tell us about their history on the Hash..NC has 1343 Runs (9 Hares) and Gorgeous has 1027 with 68 Hares..they were both on our SECOND EVER RUN, OVER 30 YEARS AGO. Gorgeous bought in two wooden cups that were given for 50 Runs..No Cup didn't get one at first ..hence her name NO CUP!...Well done to both of you and thanks for your undoubted commitment to The Hash over 30 years!

STEWARD...Lesser Dipshit..He opens his spot with the Hares and thanks them..but as always with LD, he moaned about the low standard of Paper laying! He then gets in Two Stroke and Give Me A Stroke as Registrars..cos they had parked 80 metres away from the laager! Hares in again..this time as the bus couldn't get in!...LD..not much laughter yet, just moaning....but wait for it, Assterix in next..for getting his hair cut...so he can run faster...that's more like it LD! Blue Harlot and Jaws in next, As Englishmen..in the later years they should remember 1666..the great fire of London...this week in history!..All the lads of the military..in ..Blue Harlot, Fungus, Mr Fister, Gorgeous and Any Cock'll Do..why? This day in history WWII started!..GM in next as I look like a school teacher behind my desk...Well done LD, thank you!

RUN OFFENSES..Manneken Pis gets in all the French and tells us last week someone wrote on Facebook that all French nationals were going to be kicked out of Thailand due to their treatment of Muslims...the French panicked, even trying to sell the house's..it was all a hoax..shame! Mr Fister calls in Hard On and Twice Nightly..Mr F was running on the beach with Hard On and TN..HO said, as he was running just behind TN.. what a great view..TN said...thanks!..well it is a great view! Lucky Lek calls in his mate Jaws..as most weeks Jaws buys him beers, waiting for the runners to come in..this week, Jaws walked and got lost..so he said...tight bastard just didn't want to buy LL a beer! Black Hole Driller calls in Tuk Tuk and the Virgin girl..if you brought her on the Hash for the first time..why did you let her come in shoes that are better suited for the shopping Mall...Listen, she can come in what she likes...as long as she comes!! Manneken Pis gets in The Hares and VMA..MP had gone up hill, down hill and under barbed wire and came across VMA..follow me she said..and they cut out 2KMs! Blue Harlot gets in Twice Nightly..last week all the runners went the wrong way out and came across barbed wire..BH went first , followed by TN..be careful of your balls BH says TN...now just how can TN help BH take care of his balls..BH thinks..maybe she can cradle them...in her mouth..then he woke up! Mr Fister gets in VMA and Two Stroke..what do you shout TS? SHUUTUUP...and what do you shout out VMA?...SHUT THE FUCK UP..they are just shouting at each other!

RUN SHIRTS..The GM gets the circle in a frenzy for wanting to see great bodies..income Pole Position and Twice Nightly...to.... help ME
