I got in the two Hash Flash, as last week they did not bother to get one pic of ME! Fungus and J C...Last week Fungus was waiting at 8am to lay the paper...but no J C and no paper...JC said fuck you i'm staying in bed...we lay it in the afternoon! Gorgeous in next..last week he pointed out that I should have asked the committee to introduce my bell..how do you know I didn't?...Oh yes I did! Our very own Belgium in next, as it was a Belgium man who died in Malaysia on a extra long Hash of 47 km!...Community Safety Warning for drivers in Chalong....as Teachers Pet has passed her driving test...you have been warned!

**RETURNERS** in...Oh the lucky few to come back to us..welcome home!

He is from Preston in England but supports Man City...support YOUR LOCAL TEAM!..I told a true story about when I managed to get into Preston North End football club in a wheel chair...as I had no ticket..So, you now know what he looks like and who he is!

**RUN OFFENSES**..J C calls the GM and Chastity Belt in as CB was saying to him...our GM is a real noisy cunt...I didn't protests CB...well I didn't call you a cunt anyway! Gorgeous told me to stay in ( how are I going to write the bloody notes ?) G tells us he goes home with his ears ringing every week cos of my bell...Gorgeous..it has fuck all to do with your home made rocket fuel you drink then? Once Weekly gets the Hares in..why the tape over the start of the Run from the laager site? We did not want the cars to drive down there..has to be some logic there somewhere! Virgin My Ass gets in the Hares..then gets them on the ice...where was the blue paper..it was like a Mexican Wave out there, blue Paper everywhere....well, follow it VMA!..She then gets all the Walkers in to confirm..for a drink..after that she gets in all the Runners for a drink...thanks VMA..the beer bill is in the post ( that's the GM saying that..not the SCRIBE!)

**HARES**...in they stroll...Our Run Master throws the book at them..so it looks like JC is not keeping hold of the Hash Shit Seat....But which one Black Hole Driller...OR Two Stroke..( now the circle thinks about this, TS takes our money every week and marks down our Run numbers)....Black Hole Driller it is then!
