Before the Run we observed a two-minute silence to honour the passing of the King.

We had two Runs in the hills and fields of Khanom in what was a beautiful Outstation Run. The GM thanked the Hares for a great Run and walk on both days!

We asked the owner of CC Bar, Charlie to come in so we could thank him for all his superb support in helping to manage this weekend for us. We presented him a Khanom PHHH shirt and the GM made him an honorary PHHH member! We followed this up by getting all his staff in for a well earned down down!

Given the situation we decided to curtail most of the planned entertainment but as Hashers do, we managed....Our very own Rack Pack came in and sang a song that will stay in our memories...What A Rat and SADG got us off to a super start...Lucky Lek tried in vain to do his Annumtmunts but the GM wasn't having any of it..after two more attempts LL climbed the lookout tower at the bar to ring the GM's bell for his Annumtmunts...so he climbed back down and in he came and did a great spot for the circle. Blue Harlot got a crowd of us in and made us read out...what you would never hear on the Hash, ending up with the GM having his bell stuck up his bum.....On the Sunday BH got in just about all the girls left, along with willing lads for what was the best beach game we have ever seen...I was still laughing driving home!..so in the end we had some great entertainment...thanks to all of you!

VIRGIN in...we had a virgin from Austria, Michael..he joined us from the bar and would you believe it..he got wet!

VISITING HASHER...Ta, from Samui Hash...& one from the bar and she had a great time..welcome!

RUN OFFENSES...The scribe was pissing about and made very little notes but we had a few in to tell some trail tails!

NEW NAMES....Bo (Tootsies wife) is now...**BOTOX**...Marianne is now **MARIANNE'S TRENCH**..Valerie (wife of Flambe) is now **PYROMANIAC**....and finally Darren, as an ex-policeman and manager of a legal whorehouse in Sydney...is now...**COPPER SAN**!

Before closing the circle the GM got in all the Khanom Team, Fungus, Once Weekly, Pole Positon, Twice Nightly, Two Stroke, Lucky Lek (& the hares brought in the GM!)..to thank them for their hard work in making this Outstation Run a great success..Thank you to you all!

HARES in. The Run Master said...no way was Hash Shit going to the Hares but he could surely find someone!....As he tried so hard to do his Annutmunts and failed..it went to Lucky Lek..Although I thought it might of been awarded to the local guy who tried to shoot Price

Charles on the Run (big applause).....**AND MISSED** (loud boeing)!

A super weekend was had by all...thank you for taking your time in joining us in Khanom.
