phuket-hhh.com

Before we started the Run we dedicated the Run to Stan Smith, our SUCKER and held a minutes silence in his memory.

I opened the circle and told everyone that I was not going to invite the Hares into the circle this week...a deathly silence...then why??..But the Joint GM might! In came Blue Harlot to have my GM coat and then my hat put on him by Teachers Pet and Pole Position.. This week he is our GM. I told him he has my coat, has my hat...but he is not having my bell...out came a piss willy little bell that must of came from a baby's crib...fuck you I have my own bell..say's today's GM!

HARES in...and anyone here who was in the Hash when Blue Harlot was GM..14 in all, including Tootsie, who must of been a babe in arms at the time. He gave them all a beer..The GM thanked the Hares for their work!

The GM said..I have something very important to say..so listen up...In EIGHT MONTHS time we have the HASH BALL...now listen to the following arrangements...very carefully..anyone with a dark coloured car will park on the hotel car park floors 1 & 2...those of you with light coloured cars will park on floors 3 & 4...seating will be by nationality and there will be colour coded name places for each seat. There will be a strict dress code with ladies having dresses at least 6 inches above the knee and showing maximum cleavage (SCRIBE NOTE...all this info is in place of the Khanom Updates!!)

VIRGIN in...Jimmy from Finland...before we start GM gets in our own Any Cock Will Do, who is also from Finland..GM shouts out..anyone been to Finland..Jungle Balls answers..yes I have..What's it like, asks GM..it's a shit hole says JB!..OK you talk to each other..let's hear what it's like...hurbby gurrby goggly..enough..piss off ACWD...and poor Jimmy..gets wet!

CRIPPLE OF THE WEEK...our new spot from Khanom (thanks to Big Bollox for the Zimmer frame). This is SADG's weekly spot...so, be aware!. SADG calls in King Klong, Saggy Balls, Blue Harlot and Lemming..SADG considers all to be some sort of a cripple...but this week's award goes to...Saggy Balls..out he goes with his Zimmer frame!

RUN OFFENSES..Clitmus Pussy in first and calls for Sweet Potato and Any Time. CP and SP were walking together as AT ran past, SP liked his bum so she followed him...up a falsie..no paper and now a

longer Run..All for a bit of bum! Cartoon in next and calls for Born Loser..BL's car parked next to Cartoon and out gets BL from the back, goes to the front door and opens it for, what Cartoon thinks will be his wife...no out jumps Ben, BL's dog! Bum Scrapper in next..she parked about two Kms from the laager and wondered why she was the first here, only for Cartoon to pass her and tell her she was at the wrong place! Jungle Balls calls in the beer bitch who was wearing a shirt with..many lines of info printed on it...all with fuck in it..so JB names her...EASY FUCK! I call in What A Rat, Manneken Pis and J.C. Last week WAR came to me and told me MP had called him up and said..can you do the Run you have planned for next month...this week..if you can HE would ensure that they would NOT GET HASH SHIT FROM HIM AS RUN MASTER..in fact MP suggested he gets Hash Shit himself for forgetting to arrange a Run this week..WAR and I hatch a plan to get JC to be Run Master and give Hash Shit to MP..which JC agrees to do..what does the wanker do..JC gives Hash Shit to ME for telling the Run Master what to do!

STEWARD...Gorgeous..(Scribe note..I called Gorgeous in the week to see if he was ok to do his spot on Sunday..he said yes..but double time on SUNDAY!)..He opens with..the Saturday Run has changed this week to Sunday...STANLEY...WHAT A FINE MESS YOU GOT US IN ! What A Rat, Lucky Lek and What A Cunt..his Hare Team..WAC was last week's Virgin Hare..G says now we know how he got his name..What A Cunt! Lucky Lek..his first Hash name was Many Pet cos he used to pick up everything from the Run..berries, fruit, leaves etc..but his name changed very quickly..as Lek took a bottle to G and said look there is a competition on the top..write in.. with why should I holiday in Thailand..G wrote an answer and Lek sent it in..he won a holiday for two..so they both went away together..LUCKY LEK WAS BORN! Two Stroke in..They were talking earlier and as there is a lion on the Scottish flag TS asks..when did the last lion die in Scotland..G never found it funny..but we did! He then asks..why did TS put up a big map of the Run in the laager..G followed it and got lost...er G that is the map of next month's Triathlon..no wonder he got lost!..Great Spot Gorgeous..worth DOUBLE TIME. Thanks!

RETURNERS in..A dozen, including A very slim Rusty Hook..just don't stand by me you slim bastard!
