Hares: JC & Murkury

[phuket-hhh.com](http://phuket-hhh.com)

I thanked the Hares for their hard work and for hosting the circle in their back yard on this last Run of 2016

**HASH HORN** in.. What A Rat came back to us and did a good job even though half the pack went on the Run the wrong way. He could blow his horn all day and they still went the wrong bloody way!

**LUCKY LEK SPOT...A Cardinal Sin...**Joint GM, BH stood in for our RA and brought in the HASH BIBLE..in came the Sinner...FUNGUS...The Mighty Quim told us of the Cardinal Sin committed by Fungus..first week he has missed in nearly 6 years...He promised to never do it again.. I washed his Sin away, with water...over his head...and the circle forgave him...**DON" T DO IT AGAIN!**

**RETURNERS** in..just a few, just in time for the NYE parties!

**VIRGINS** in..Rampant Rabbit's daughter was on her first Hash as was Markus from Sweden and Robert from Aussie..The Mighty Quim saw they got a little wet!

**VISITING HASHERS**..same Hashers as last week from Cyprus and Jebel.....thanks for coming again!

**NEW MEMBERS**..man and wife Dieter and Sontay..they come from Khao Lak every week..well done..keep coming..soon have 25 Runs!

**JAWS** came in for his NYE/XMAS songs...Jungle Balls, Jungle Balls (written by our Hash Music) followed by...MENOPAUSE IS COMING TO TOWN...we can wait for that one...he finished off with...OH PENIS HEAD, OH PENIS HEAD...with a little help of many of us in the circle...Great spot Jaws..thank you..we have a star in our mist!

**STEWARD...The Sinning Deploragle Duet... Fungus and The Mighty Quim...**In came TMQ with his Yankie Doodle Hat and told us of Trump..their new President to be....It seems that a staunch Democrat..long time PHHH member, who owns a boat but seldom sails it has caused much trouble in the US...who can it be? In comes Ejackulator...not too happy, as a H R C man...off you go and use the O BARMY CARE, whilst you can!..In comes a KKK supporter..or is it a Trump supporter (are they the same?)...looks a lot like FUNGUS to me!..Off he went with a flea in his ear from TMQ..Now they get in

Paper, Twice Nightly and Ya Ba..for a test...who can be the first to answer the look alike...Trump, HRC and Queen Lizy..I think they all get it...but the 500 Baht prize stays in Fungus's back pocket...to go to the KKK fund!..Great spot you two..You could see a lot of work went into that..well done and thanks!

**Our Irish songster, BARBIE DOLL** came in and gave us...his special 12 days of Christmas letter between John and Agnus...we just never get tired of this one..at this time of year..only 12 months to wait till next time...thanks BD..hope

you and Late Arrival, plus the rest of the Paddies have a safe trip home...see you next year!

**RUN OFFENSES...**Filthy Phil gets a crowd in and talks his usual rubbish...about nothing, as he forgets why he got them in! What A Rat gets in all the lads who came in the first Four...ACWD, WAC, SADG and Top Off...why were they first...cos they went the wrong way round the Run...and would not listen to the Horn..however hard he blew!..SADG gets in WAR (this could take all night!) Bull shit, did they go the wrong way..they were shouting On On from the front..this all sounds like bull shit to me, to me! Paper calls in J C..she starts to tell us before the Run...he took me two times...(PAPER, YOU SHOULD BE SO LUCKY )..she could not say any more as there was shouts of..show us, show us! Swollen Colon gets the two Hares back in and says..this why husband and wife teams as Hares ..just don't work!

**RUN SHIRTS...Bobby Suks...**gets his 100 Run Shirt...after 23 years...well done..cost a fortune in airfares...just for a free Hash shirt..Well done B S...your 200 one will cost about 850,000 Baht!

**DEPARTERS**..only two...not a good time to leave us!

**HARES** in..Joint GM, Blue Harlot stand in Run Master...Good Run was called Lucky Lek..keeps it!
