I thanked the Hares for their hard work and another great laager site in the Ao Po area.

HASH HORN..this week Fungus volunteered then cleverly took Long Time as his apprentice..he was ok, she was great..so we have another Hash Horn in the making..thanks to you both!

RETURNERS..they were all on the bus, which was parked miles away! Welcome back Rev Fingerlicker!

VIRGINS in.. seven...mostly from Aussie thanks to Mr Fister, Oh Yeah & Anal Grapes they went home wet!

HASH VISITORS in..Colour Of The Eggs, from Germany with Big Tonka and Drip Tray from W Aussie...Drip Tray won our shirt with by far the best entertainment..Thank you all for coming!

BLUE PIPE DRINKING TEST..I just had to have Big Tonka and his wife Drip Tray in...and I thought Aussies knew how to drink...lucky for them, their mates Mr Fister and Oh Yeah showed them how!

STEWARD...SADG...with his bag of tricks, as always..he called for Butt Plug and King Klong..as last week BP bought KK some pink knickers...SADG checked to see if KK was wearing them (as he promised he would)...he wasn't..so on the ice he went!..He called for all the Aussies to come in (at this point Mr Fister took over and got his Wobble Board in as his musical accompaniment...he got a hand full of the lads to sing the chorus...of **BEASTIALITY IS BEST BOY, BEASTIALITY IS BEST**...with the girls giving... **FUCK A WALLABY**...the Aussie gave it their best, as usual and we all

enjoyed it! SADG told us he hasn't had sex for some time..due to FA CUP having too much Coke... (Cola!)..so he got in all the girls...he got them into three groups...Princess...Playmate..Potential...he got us all to vote, one by one...whittling down to the last three..Creature was Princess, Wet Dream was Playmate with Tequila Slapper Potential....but he just could next choose he was going to fuck tonight....hard work pal...well done SADG..kept us laughing for your spot...only you could get away with it..Thanks!

RUN OFFENSES.As if he hadn't had enough SADG calls in Rev Fingerlicker..he has been in the USA to make sure the States chose the right POTUS... they could not go for Hillary as it came to light that Hill & Bill were dating the SAME WOMAN in University! Anal Grapes next, calls in Murkury as calls On On..which way?..that way says M...Are you On? calls AG..with M pissing off and leaving them..As AG gets in..he sees M showering..I'm alright Jack! Blue Harlot calls in Houston Basher as HB is wearing BH's AGPU shirt from 2004..anyone else got my AGUP shirt asks BH...no... only HB wears it now! He then calls Always Wet in..she calls On On..and then goes in the bushes foe a pee..On On?..so BH follows her..always ready to help!..One of our Aussie Virgins calls in Mr Fister and Oh Year...OY was worried that the vibrator that SADG was giving out, as a prize...was hers! Fungus calls in Cam (our New Member)..as he was going down a slope he grabbed a tall young rubber tree bending it in an arc to help him down..then lets it go..only smash Fungus in the face!

NEW MEMBERS.Five this week..only Sinn didn't manage to get a name..Cam keeps his name from an old Hash..BLOOD VAGINIAL SWAB..Mr & Mrs Killem..Terry was named KILL HER and Bernie was named KILL HIM...and finally Paul..who joined us after our New Members Drive at BKK Hospital a couple of months ago and is in Orienteering....was named...NO MORAL COMPASS...Welcome to you all and please keep coming!

HARES in...income our three Hares and Gorgeous is our Run Master this week..he checks and checks with the circle..but good Run is called (about five times) so Gorgeous asks..who's the Hash Shit Holder?...someone shouts out..Alice...who said that..asks the Run Master...him. him, points the circle..get in here...so Tinker Bell walks in, head down..don't be a snitch says Gorgeous...Hash Shit goes to Tinker Bell (the Nark!)
