It was a sad week for our Hash when we held two funerals for two of our members. LORD LOUSE THE LIP and TWO STROKE.. We gave them a good send off..R.I.P to both of our great lads. (view pictures via PH3 website [Hashbituary Page](#))

We welcomed the Hares in the Ban Lipon circle to thank them. As it was Singha's 75th Hare. I gave him a yellow Hare shirt for his great achievement..well done Singha and thank you.

Tootsie..if you become GM..MM will look after you EVERY WEEK...but what's happened...she looks after the WRONG FROG..Crabtree..not Tootsie! Dad back in and..cut the throat of the Rooster time.

Murkury, Singha and SADG had no chance..so in came Minnie Mouse...Now WTFIA just cannot breath between MM's legs..and she could not get the Rooster! Well done Tootsie....and his Dad. Thanks!

Minnie Mouse calls in the Big Aussie Virgin, Greg..sits him on the ice as he walked the walk with no shoes on but holding his flip flops..why..I don't want to get them dirty..so MM showed him how to wash them..all over him! Mr Fister calls in Wet Dream..Tootsie, Rampant Rabbit, Fungus and Hard On...Got them all in a line with Wet Dream at the front ..and showed them just what was happening..everyone kept overtaking each other..why..just to get behind Wet Dream!...Oh Yeah comes in and sings her song right in Mr Fister's face..Your Dumb..Your dumb... if it wasn't for your
