RETURNERS in...just a few, longing to see us all..welcome back!

VIRGINS in... only the two..A Frenchie and a lady from London/Brighton..she thinks..anyway they both got wet!

BLUE PIPE DRINKING TEST..No choice really..the two Virgins..just threw beer all over themselves...Cradle Snatcher and Grave Robber..showed them just how to do it (Grave Robber had to stand on my chair to reach her husband..but did a great job!..good to see them in the circle!)

VISITING HASHER in..Sweet Pea from Chang Mai..visited us many times..welcome , good to see you!

STEWARD...Clog clicking **CARTOON**..he said that Fungus had robbed him of his little show he had planned..He was going to get two chairs in the circle with two **WELL-KNOWN HASHERS**, ONE **FEMALE**, one male, blindfold them then give the female a spoon and the male a **BASEBALL BAT** to knock an apple off each other's head...**WE ALL KNOW WHO THAT FEMALE WOULD OF BEEN!** GM in..his old Mom had to go into a nursing home..the staff stood her in the window..after a few moments..she leant to the left..the staff rushed to straighten her up..after a few more moments she leant to her right this time..again the staff straightened her up..the GM went to see her at the end of her first day..OK Mom?...no not really son..I don't like here...why Mom?..Because they won't let me fart! Paper in for JC as JC was driving with his son in the car..Dad..how can you tell if you are an alcoholic..easy son..just look at those two trees over there and if you can see four trees you are an alcoholic..but Dad..there is **only** one tree! Lucky Lek next..his wife was watching TV and a healer was on, saying ..put your one hand on the TV and the other on the part of your body that needs to heal...so LL put one hand on the TV and the other on his cock..his wife says..he can only heal...not raise from the dead!..Lots more too...another great spot. Thanks!

RUN OFFENSES...Cartoon stays in and calls for Any Cock Will Do..Hash Horn..taking short cuts..to stay in front and dumping pink paper on paper..that's where it all went! Gorgeous calls in Lucky Lek..LL was looking for the rope he brought for the bridge on the Run..he just could not find it..why..he was standing on it! Anal Grapes calls in the Hares...you mentioned blue paper for the walkers..well where the fuck was it..he asked the circle..no one else saw it either! Dr Fucking Jeykel calls in King Klong and Hawaiian Ho...they were about to go down the embankment..KK went first..but nose first..I hope you don't die says HH..but didn't help! SADG calls in H H again..yes I was there HH stopped him going down..give way to front runners you cunt! Swollen Colon calls in all the Yanks and the Brits and tells us that Trump said that the Brits were wire tapping him...SC says shut the fuck up and start to run your own country! Fungus calls in Once Weekly as they were out together last week in Patong and OW saw the police stopping bikers...OW goes to the police and says..why are you only stopping Falangs?..The Police were not too pleased with his intervention and told him to go away..OW started to answer..then a light came on in his head...and thought better..he walked away, thankfully!
