Hares: Dr Fucking Jekyll & Murkury

[phuket-hhh.com](http://phuket-hhh.com)

I thanked the Hares for their work at Red Mountain and asked all The English to join Dr F J as he was wearing his St George's Day dress for the 23rd..well done all!

**HASH HORN**..Our RA did another great job...Thanks, Tootsie!

**RETURNERS** in...just a few..all looking glad they had joined the GM in the circle!

**VIRGINS** in...only two. A German lady and another mate of Pawn Shop..she took most of the water!

**VISITING HASHER**...in comes Dr Sue from Aussie...she told us a great story about her Doctor duties and promised to bring her box back next time...so we could all finger it...we look forward to it!

**NEW HASH NAMES**...No Hole's partner came in and we gave her new Hash name...**HOLE DIGGER!** Mike came in moaning about being repressed by The English for 200 years..so I gave him the name of **REPRESSED ONE!**

**RUN SHIRTS**..Chastity Bely finally got her 200 Run shirt..after 15 years of Hashing! Katoey Hunter got his 25 Run shirt and Bucket got his 25 Run shirt..well done to you all!

**STEWARD**..Another Virgin Steward...**SHORT CIRCUIT**..in comes Fungus..with a picture of an orange mushroom on his back...SC then calls in the girls..Tuk Tuk, Pole Position, Creature, Twice Nightly, Always Wet and Oh yeah...SC then let them all sniff Fungus's old running vest...covered in Fungus's DNA..what did the girls think of it...fucking awful smell..with different shouts of general distaste..out comes the cans of deodorant for Fungus!..GM in next...for nicking his St George Steward spot..sorry SC!...Now this one brings back great memories (of SC)..SC brings in a pole with 3 cups attached at each end and the middle..Tootsie and Lesser Dipshit hold up the pole, at each end..by this time each cup is filled with beer...John, The Canadian is invited to join them..in the middle..as Tootsie and LD hold the pole to drink their beer...poor old John is left...short and helpless...as beer is raised over his head...and he gets a good soaking.....**A SUPER VIRGIN SPOT SHORT CIRCUIT**...come on everyone..help entertain us...Thanks..SC!

**RUN OFFENSES**...yes there was some..but your Scribe could not hear a word cus of the talking...if you feel the need to constantly talk whilst people are in the circle..**THEN DON'T STAND BY THE SCRIBE!**...It just stops me doing my job..for others!

**DEPARTERS** in..Dr Fucking Jekell leaves for his annual pilgrimage back to the UK..but not before getting in one last Hare...Thank you..see you in November!
