Hares: J.C. & Murkury

phuket-hhh.com

I opened with a trio of Hares at Patlok...This week's to thank them, next week's for info (Murkury & Manneken Pis)...and last week's (Fungus & Hard On)...so our Run Master could finish of his spot from last week!

HASH HORN..Hang Over, again as you could not decide if he did a good job or not..same this week!

LUCKY LEK SPOT..I called in all the Hashers who have kindly donated prizes for the girls at the Ball..those that were here...SHORT CIRCUIT, ONCE WEEKLY, POLE POSITION, EJACKULATOR, TOP OFF, CHASTITY BELT, CLIT ZIPPER, WILMA, WOODPECKER, MANNEKEN PIS, SWOLLEN COLON, BARTH WADER...Thank you all for ensuring every girl will get a prize!

STEWARD...As Swollen Colon did not have his glasses he asked to do his spot early..Hang Over in first, as Hash Horn..you are supposed to put pink paper on the right trail..not the falsie! Jaws next as new GM of Tinmen..he is trying to lose weight..SC suggested if he wanted to lose 5kg of ugly fat..cut your head off! Butt Cycle next..his girlfriend called the police as he was stalking her..he told the police..she is not my girlfriend..YET! J.C. and Paper..J C said, holding a beer I love you so much..Paper says..is that the beer talking? J C answers..i'm talking to the beer! SC calls in his daughter now and tells her about the birds and the bees...puts a condom on her head and says..if I had worn one of these you wouldn't be here! All the Isan girls in next...I won't say what he said but took 5 minutes to tells us just what Isan girls are capable of..He called for their down downs...and they all threw their beers over him! Me next..He ripped me apart for 10 minutes...but he seemed to get confused between ego and efficiency !..Thanks SC, the girls loved it!

RETURNERS in..half a dozen back before the rains come..welcome back!

VIRGINS in a couple from Switzerland, mates of Baldy Locks..as they were French speakers Manneken Pis did the talking and Butt Cycle did The watering!

VISITING HASHER..Tony from KL Hash...he told us a long but good joke..so he goes home with the prize..Thanks for coming!

BLUE PIPE DRINKING TEST..our Swiss friends came back in..showed us how they drink in Switzerland..Not Long Enough and Repressed One showed them how we do it over here!

RUN SHIRTS..Cum Tomorrow got her 50 Run shirt and Su Su Nonna got her 25 Run shirt..they both took it off..well done girls!

RUN OFFENSES..As Swollen Collon's spot was so long we only had time for a few..but as it was so dark by now..no notes were able to be taken!

HARES in..no trouble here from our Run Master...a great flat Run, after the last two week's...Good Run was called and Fungus retains Hash Shit!
