Hares: St Blow Job & Tequila Slapper

phuket-hhh.com

Before I started the circle Blue Harlot and I read out the names of our Heavenly Hashers. We gave them a Down, Down in their memory and concluded with a round of applause!

The Hares came in so I could thank them..I awarded SAIT BLOW JOB his yellow 25 HARE SHIRT, well done SBJ and thank you!

LUCKY LEK SPOT..I called in Swollen Colon's daughter to confirm her HASH name...SWOLLEN BITS..welcome SW!

RETURNERS..in they came looking happy to be with us again!

VIRGINS in..A young French couple, a young girl from South Africa and a Thai girl. Fungus did his stuff with the water and little miss Frog got a good watering..well at least 50% of it went her way..Oh to be young and beautiful!

VISITING HASHERS in Dogs Head and his wife Dogs Breath were here again from NZ..DB tried to sing us another song again..but we wished she had not bothered..I gave a Hash badge to DG in sympathy for being married to her..thanks for coming..have a safe trip home!

STEWARD...Blue Harlot...our leading jokes smith kicked off with the Hares and Hash Horn..Manneken Pis..the last time a Belgium blow that hard was with a young 12 year old girl three years ago! Swollen Colon in..now he ripped shit out of the Thai girls in his spot the other week..but left out the Europeans..so BH calls in Always Wet and a French lady (both blondes)..what do you call an intelligent blonde?...A Labrador!..Always Wet said she wanted a smoking hot body..yeah..the only way she will get that...is when she is cremated! Twice Nightly, Once Weekly and J.C. in..TN's car would not start..OW was out but just at that time Paper called TN..she told her about the car..OK JC will come to help you..he did and got it started..when TN came out of her house..she was so pleased she took JC upstairs and gave him a good seeing to..after that she showered and went down stairs..JC did the same after..when he got down..a cup of hot coffee was waiting for him..and 100 Baht note next to it..he

drank the coffee and when TN came back into the kitchen JC..what's the 100 Baht for...TN looked at him and said..well I called OW and asked what should I give JC for fixing the car and he said...**FUCK HIM, GIVE HIM A COFFEE AND 100 BAHT!** When WANDA was over last month..he took a girl back to his room..they were getting undressed and the girl noticed a tattoo on his arm ..**REEBOK..** what's that asked the girl? Oh I used to play top flight Rugby and if the game was shown on TV I would get paid by Rebook...as he takes off his trousers she sees **NIKE** on his side of his leg...same says WANDA..advertising..when he gets his cock out she sees **AIDS** tattooed on his cock..oh don't tell me you have AIDS..no, no darling...just put your mouth around my dick and you will soon see it spells **ADDIDAS!**..Great spot, as usual BH, Thanks!

RUN OFFENSES..Manneken Pis calls in Fungus and She Fucking Deserves One..She noticed Fungus washing after the Run..using soap...she said she has never seen a man using soap before! Lucky Lek gets SFDO back in..and says boy have you got a great body..but your tattoos scare the shit out of me and I'm Thai! Fungus gets LL back in..as he could not find the Laager site..he drove past..looking out of the right-side window..went 3 KM past and turns back, still looking out the right-side window--and found it!

DEPARTERS in..the crew that was leaving us looked sad..so I did not take the piss..come back soon!

NEXT WEEK's HARES in Gorgeous and Lucky Lek came in to tell us about next week's great Run they have planned for us..just off the Honda By Pass..don't miss it!

HARES in..Swollen Collon was our Hash Shit Holder..and as Gorgeous was covered in barbed wire cuts Manneken Pis called him in too..As the barbed was off paper..he got Hash Shit for complaining!
