RETURNERS in..just a couple back with us in the sunshine...or rain!

VIRGIN in..just little miss Lek..she contacted me months ago through our new Hash business cards..got lost twice..but never gave up..and all the lads were thankful she didn't...she is now a welcome addition to our front runners...Our Water Babe..Repressed One..gave her 6 loads of water..as the lads were shouting for more..RO did his job well...but I gave Lek the chance to get her own back when I iced him for being a little over zealous..she loved it..well done to **YOU BOTH!**

VISITING HASHER..Lobster from the UK is now living in Kathu and will be joining us soon..we hope..thanks for coming!
