Hares: Fungus, Once Weekly & Twice Nightly

[phuket-hhh.com](http://phuket-hhh.com)

Getting into the swing of things, our new Leader, Who The Fuck Is Alice got the Hares in to thank them for their hard work at the Patong View Point...Well done lads and lassie!

**HASH HORN**..this week it was Top Off and The GM said...good job...good job..Well done TO! The GM shocked us all by telling us that he had TWO SONS...he got Who The Fuck Is Fucking Alice in to confirm this...and then...he brings in his other son...looking quite a lot like an Orangutan..so, says GM..Tootsie One and Tootsie Two..but it was not made very clear as to which was which!

**VIRGINS** in..A couple from Russia..on their knees and Fungus saw that they showed us wet bodies!

**RUN OFFENSES**..Murkury got us started this week by getting in Lesser Dipshits's mate..The GM said as LD brought him to the Hash he should share a shoe too..so they had one each..down, down, down! Our Yank Visiting Hasher got The Hares in to thank them for a good Run..but what the fuck was Fungus on about with his miss- instructions..she could not understand him..well there you go Yank to Yank..what do you expect! Manneken Pis calls in Rampant Rabbit and Cocaine...RR was following her and she stopped to tie her laces up...RR fell flat on his face..yeah, following her! Lesser Dipshit gets in Google Ass..taking photos yes...sitting on your arse in a chair by the side of a field waiting for the Runners..No! J.C. got Manneken Pis and Mighty Quim in as he overheard MP telling MQ off..look..The Run Master is God.., so what I say goes! Fungus gets Twice Nightly in, as co Hare..when they were laying paper..there was all sorts out there..snakes etc..but just before they had finished TN screamed...what? she pointed...that's a bush darling! (someone shouted out..show us your bush..I would have blamed BlueHarlot..but he wasn't here!)

The GM calls his new English Teacher in...Cocaine..his English is getting better. but she is also his keep fit trainer and then she shows us just what she can do...WTFIA doing that lot..no way! Creature comes in to tell Cocaine to stay in..wait a bit..you showed us all this keep fit stuff..but on the Run you

asked me..are we nearly there yet?

**STEWARD**...Joxymoron..in with the Hares to thank them...followed by Butt Plug, Hard On , Gay Pigfucker..now he went drinking with these three last night and they almost stopped him coming today...you do not want to drink with these three if you want to go to the Hash the next day! JM tells us he frowns at Porn..well it's just that he is concentrating so much! JM asks if we know what Karma is..anyone?..well let's take Tootsie..he made JM the Brew Bitch on the Tinman..so, Tootsie you are my beer bitch for the day and if I fuck up then you drink the beer for me...that's karma!..The last few weeks JM has been manning a telephone help line..but he thinks he fucked up the other night as some suicidal bloke called and JM told him to just relax and stay on the line..not very good when the bloke was lying on train tracks, waiting for the train to come!...Great spot JM, thanks!

**RETURNERS** in..only Joxymoron..welcome back..just in time for your spot!

**VISITING HASHERS** in...A couple from the US..her name was Monkey Bite but her man does not yet have a Hash name..she told us a joke about rabbit feet, feet, feet..she was told to toe the line!

**RUN SHIRTS**...Go Go Trump awarded jack (Chicken George's dog) a very special 400 plus Run Shirt..as this was his last Run in Phuket...The GM then gave Gorgeous his 75 Hare Shirt and No Hope his 100 Hare Shirt..well done to all three of you!

**DEPARTERS** in Chicken George and his dog Jack..CG has been in SE Asia for 21 years and Thailand for 13 of them..He is flying to Germany tomorrow with Jack to start a new life..driving around Europe in a camper van..just Jack and him..we wish him and his dog all very best, have lots of fun together and stay safe!

**HARES** in...in they came with me as Hash Shit holder..Good Run was called and RM said maybe I should keep it for a while more... but as there was almost as much pink paper out there today as blue..it should really go to the Hash Horn...Top Off!
