Hares: MURKURY & MANENKEN PIS

*phuket-hhh.com*

Our Leader got in the Hares for their free beers and to thank them for the run at the Patong View Point..The GM asked Fungus to lead the song ( Good Run or not?...things to come? )

RETURNERS in...What's you bin? Included Blue Harlot back from freezing Austria...welcome home to you all!

VIRGINS in...seven new ones, three girls and four blokes, one of which was Repressed One's Bro..for some reason there was an extended watering so all of them got soaked through..welcome to PHHH!

VISITING HASHERS in..Blue Harlot got in the two Visiting Hashers...Fuck All from Southport, Aussie...Murkury had been there and tells us...it is a right shit hole!...Also here was Pig Pen fresh from sunny,happy Kabul....I'm sure he was really happy to be here with us!

NEW SHOES..old eagle eyed GM, once again found two who were trying to hide that they had New Shoes..Tootsie and Jungle Balls ( mind you, you could not miss JB's bright green shoes...he's never going to get lost in those!)...down went the beers, rubbed in with mud from the GM!

RUN OFFENSES..Lesser Dipshit got us started this week with the Hares in..telling us the Hares must have been fighting looking at the state of Murkury's face ( more of that later!) LD then called in Pig Pen and Scrubber..they had walked together ( off paper ) right into the local pig pen! Maneken Pis gets Lesser Dipshit in and tells us that the Hash is full of all kinds of fucking idiots...but none like Lesser Dipshit who had gone the wrong way and had managed to find paper...but LD there was/is NO PAPER THERE! Trainspotter calls in the GM and his own Dad..GM you have got me in trouble with my Dad..why? cos he always told me not to litter as a kid and what does he see on this Hash...paper everywhere! Tootsie calls in the Hares to complain about the shit directions this week ( bit of own back after the Tinman!). It turns out that The GM's wife had got lost on the way here!..I could not let this go

so I called in Tootsie..so the GM's wife got lost..Tootsie said yes...on the ice..well let's face it..the GM's wife is also YOUR MOM..so how can you let your Mom get lost! Blue Harlot calls in Manneken Pis..Just getting back from Austria, Blue Harlot managed to meet up with our old Julie Andrews..and JA asked BH..will you do me a favour? Will you make sure MP sits on the ice...from me!..on the ice MP!

STEWARD..King Klong..Hare in..thanks lads but why the Ball Breaker today? Have your beers and fuck off! Murkury in next and KK tells us the real reason Murkury has a bloody face..after the Tinman on Wednesday Mukury fell over outside his house on to his own front door..he knew nothing of it until next morning when he saw the blood on the floor! Heel Ender and his girlfriend in..the other night Heel Ender and his girl was walking in Patong when a dirty old man was looking at her tits as they walked by...He was staring at this man in disgust, not looking where he was walking and walked right into a metal pole! JC.in now..well we have many isms in the Hash but this JC issum is hard to beat..JC said are you going to get the French in as they have not won ANY medals yet in the Commonwealth Games...but JC..France is not in the Commonwealth ( Geography not his best subject!)..All the Aussies in..they are leading in the medals table at the moment..must be cheating again!..Woodpecker comes in to help KK..and calls in KK..he had told her that if he did just 150 mins of exercise per week he could live to 100 years old..but Woodpecker says..who's going wipe your arse KK?...great spot KK, Thanks!

RUN SHIRTS..Master Baker got his 50 Run shirt..well done!

DEPARTERS in..only a few that must not like the water of Songkran! Bye bye!

HARES in..As Manneken Pis was a Hare the GM got Fungus to be the Run Master ( or did Fungus ask?)..whatever, this looks like a set up to me..Fungus lays into the Hares..wrong signs pointing the drivers over the wrong hills..no Hash Horn pink paper..Ball Breaker of a Run..all was pointing to a vote

of Hash Shit and Fungus was about to place the seat over MP's head when the GM point out that as the Run was a hard one Fungus had fell over and cut his head..on the ice Fungus..this is a set up...that is going to go wrong...the circle started to shout Good Run, Good Run..Hash Shit, well that just has to go to Fungus for his attempted stich up!...Circle Closed!
