phuket-hhh.com

Our Leader opens the circle in Rawai to get in Hard On to thank him for a great job. Well done Hard On, who also did a great job at last night's Hash Ball!

HARES in..well what can the GM say? His son , Tootsie lead Hare and the other three Frogs... **VIRGIN HARES!**

REMAINERS in..for the first time I can remember..there are no Returners today (Scribe note)..see the mistake...

REMAINERS...I spend most of my spare time writing about Brexit in the UK and have done for the last 4 years..just noticed it...so fuck it...thought I'd keep the mistake in..**ONLY 299 DAYS** until we leave this poxy EU!

VIRGINS in...Only two..Shes Easy's sister and her husband over from Aussie... her sister was that cold after her ice cold water..it turned her hair **BLUE!**

The GM comes in to give out **THREE VIRGIN HARE SHIRTS** at the same time to Lizard Eating Cunt and his wife and little son!

VISITING HASHERS in...Two this week..Beverly Hills Pink Cock from Pattaya and Willy Wonker From HK (Free China Hash). Blue Harlot welcomed them to our Hash..Thanks for coming lads!

RUN OFFENSES...I get us started (Manneken Pis must still be a bit tired from the Hash Ball!).I call for the Hares and all the French who went out early..and went up the hill in the very first false as they were out before the pink paper could be laid...tossers..serve them right! Fungus up next, Hares in..well there was Four lots of barbed wire on the Run and they were getting higher and higher every time..they were so high..there was no way two of our Virgin Hares could never of got over them to lay the paper..something fishy here! Fungus calls in the GM as the last barbed wired caused the GM to wrap the wire round his nuts!

Lucky Lek calls in two girls who work for Thai TV and they enjoy themselves so much on the Hash they want to promote the Hash on TV..well done girls..please only pick the good looking one's from our lot..hint, hint! I call in Lucky Lek and ask him to do his dance from last night's Hash Ball..which he did..and we loved it! Jaws next up..he calls for me..why..to do my YMCA dance from last night..what could I do...THE YMCA! Lizard Eating Cunt gets in Go Go Trump and the Virginthey only went 50 meters up the road and back..not bad..that's 100 M in all!

STEWARD...Fungus gets in the Hares and thanks them..but THREE VIRGIN HARES in one go? He then calls in me to thank me for the Hash Ball last night and said everyone enjoyed themselves..but then shat on me and iced me as I had nicked Lucky Lek dancing from his Steward Spot..sorry! Hard On up next..Hard On was going round all night saying to anyone who would listen..I'm sorry, I apologize, I'm sorry before I get pissed..why? cus I'm drinking red wine and when I do, I always make a cunt of myself!..but even with red wine inside him he managed to save the night when a twat picked a fight and Hard On sorted it out..Well done Hard On! Fungus then called in Justin Beaver and told a golf joke..but as people would not stop talking I could not hear a word (Scribe Note) the Steward or anyone in the circle should not have to compete with people talking..please show a bit of respect for our entertainers! McFurher in now..he's a boat guy and once he was on a large ship, working as a magician..he had a parrot on his shoulder and the parrot kept saying..it's up his sleeve...it's in his pocket...it's behind his back...just spoiling his act...then the ship hits an iceberg and sinks..only McFurher and his parrot survive, floating on a log..after three days and nights the parrot says....ALRIGHT I GIVE UP..WHAT YOU DONE WITH THE SHIP! Great spot Fungus, thanks, and well done!

RUN SHIRTS...Duckling gets her 25 Run shirt, Duck A La Orange gets his 50 Run Shirt. Too Old To Fuck gets his first Black Shirt for 200 Runs. Scruber gets her 500 Run Shirt. Google Ass gets his 500 Run Shirt and finally Sheeba gets her 600 Run Shirts... 1875 Runs between the six of them... great job..well done all of you!

DEPARTERS in...GM and his wife and son are off to France for three weeks..have a good time..we will look after the Hash whilst your away!

HARES in..now Manneken Pis is going to have a ball (like last night!) He tells us that Tootsie, being the lead Hare had not sorted a Run with a week to go..so as they were all at the Hash Ball last night he nicked the same laager site his Dad had only two weeks earlier and one of the shortest Runs on record...there was only going to be one outcome...Tootsie Hash Shit...BUT, as we cannot give Hash Shit to a Virgin Hare..the Run Master had a special PINK SHIT HOUSE SEAT...for Lizard Eating Cunt!
