Hares: SADG & FA CUP

phuket-hhh.com

This week's stand in GM Clitmus Pussy called in the Hares in the circle, just the other side of Mosquito Lake, thanked them and told them to sit back down before the Lead Hare opened his trap..well done the Hares!

HASH OFFENSES..The GM opened by getting in one of our Hash Flashes, Tequilla Slapper, as even though she took a tumble she saved her camera! She then called in Doodle Bug and told us about his shit parking, as he had to ask Little Focker to help him out...only a German could ask a woman to park a fucking car for him! Fungus calls in Once Weekly and Twice Nightly..TN was the Horn today and OW said to Fungus..if anyone is going to give a bloody good Blow it's TN..Here, Here! Bullet Rash calls in Twice Nightly and says..she may be able to give great Blow but is shit at laying Pink Paper...who cares? Jungle Balls gets Fungus and Twice Nightly in..show some respect for the Hash Horn..on the ice Fungus! Manneken Pis asks for the Hares, Campari and Invisible Man...Campari had said to I M that he could of laid better paper than the Hares...sign him up Run Master! Next up, Master Baker calls in Repressed One, Hard On, and Not Long Enough..as the Front Runners caught up with the walkers..these 3 front running bastards short cutted around the fast walkers (must have been me!) Wilma called in JC as the Hares told us about some bad dogs...but JC just walked into them with his dog..for a scrap!

VIRGINS in...Two Thai ladies and two blokes..Fungus sorted them out with some water as they looked hot!

RUN SHIRTS..Flambe gets his first 25 Run Shirt, Samsong gets his 100 Run Shirt, Mc Furher gets his Black 200 Run Shirt and Clit Zipper gets his Black 400 Run Shirt..well done lads..don't take it off next time!

RETURNERS in...Eight lucky souls come to see us again..welcome home!

LEAVERS in... Seven sad bastards leaving us for less sunny climes..FOUC's!

STEWARD..our very own Steward Chaser, Blue Harlot. Wilma up first for the treatment. A few months after W got married BH asked him if he was getting plenty of sex..yes says W...have you tried the other hole asks BH..Ooh no says W, she wouldn't like that..well ask her, she might like it...weeks later BH sees W and says..did you ask her, what did she say?..Yes but she said... NO WAY,WE CAN'T AFFORD KIDS YET! Top Off up next..A Sikh joined the British Army from India..he managed to pass his exam by using hand signals, as his English was not that good..He got posted to Afghanistan, where he was met by a big, strong looking Sgt Maj..he knew that his English was not good so he too used hand signals to ask him what unit he had been assigned to..Para, Infantry, Commando or Recce..with that the Sikh turned and ran, met another Sikh who asks... why he was running..the Sgt Maj said..when it stops raining and the grass starts to grow I'm gonna fuck you till your eyes pop out!..An old bird was short of cash, she only charges 500 Baht...Bluey says well I'm short of cash too..gives her 550 B, goes

down on her...out comes a pea, then some carrot..bloody hell woman are you sick?..no but the bloke before you was!..Enough, BH, enough...great spot, as usual ..thanks!
