Today sees our Great GM's last Saturday circle at Klong Krata Reservoir... What a super year he has had and has been for all of us. I promised WTFIA I would do all I could to support his year... and I have! It has been a pleasure to serve on his committee as both his RA and Scribe and I think the whole of his committee have done a good job!.. Well done WHO THE FUCK IS ALICE.. you deserve your rest.. after the AGPU!

Not only is it WTFIA's last Saturday as GM, it is my last Scribe Report. I took over as Scribe from my old mate Double Down (she was from my part of the world)... on RUN # 1209... seems a life time ago. I would like to take this opportunity to thank the many Hashers who have said kind words about my Scribe Reports. Particularly, those of you that could not always make the Hash and my Reports have been a way of keeping close to the Hash for them. I cannot conclude my final Report without thanking one particular Hasher for his tremendous support in not only all my years as Scribe, making my bland words come to life with his addition of photos in the right place but also my year as GM last year. FUNGUS. I know that without his outstanding contribution to the Hash, my year as GM would not have been as successful as it was. No one puts more personal time and effort into making our Hash the undoubted success it is. Fungus, from myself and as RA of PHHH, on behalf of ALL HASHERS... A big thank you! It was announced at last committee meeting that No Hope will be my successor as Scribe in our new Hash year. I am sure he will do a good job and I wish him well in his new role! The Hash Cash email (of yesterday), summary of the year.. does what it says on the can.. sums up the year. She has done a sterling job !

On with today... The GM gets in the Hares (including himself... me thinks this will be a long day for

him and he might just be walking away with a piece of our regalia around his neck!). Well done the Hares..have a free beer! Hash Horn..in comes Repressed One..running from the front..how can you lay pink paper!

RETURNERS in..Five including Dick Diggler who looks like he's been eating around the world..welcome back!

VIRGINS in...Only two, an old chap and Rampant Rabbit's Pam...Fungus made sure she got most of the water..good lad!

VISITING HASHER in...only one, Blue Harlot gets Captain Fuck to join him for a beer..an Aussie all the way from Melbourne..good to see you Captain, 35 years a Hasher, thanks for coming!

RUN OFFENSES...Fungus calls in Repressed One..first back, what type of Horn does that..a shit one, on the ice! Jaws gets in the Hares..monsoon season and these Hares put our lives at risk by putting their laager site right under a Thai built dam wall..tossers! SADG ..Hares back in..what a shit laager site and do you call that a Run?..er no! GM calls for all the French in...we know what's coming.. World Cup..it's the Africans that did it! Tight Fit calls Dr Evil and his wife Jelly Bean..Dr E was worried that his wife had got lost, so he went to look for her..she just walked back 15 mins later..when Dr E asked where the fuck she was..she said I just met her old gardener and went for a chat...not so sure? Fungus gets in Sing Bark and Nutty Professor..they are not interested in the Run or Walk..they just like collecting plants...and sells them in the local market on Sunday's! Blue Harlot calls in Pam and tells us he followed her when they started to go down the water way..she was keeping her legs each side of the water way and it was getting wider and wider..so her legs were a kimbo..shall I help her, BH thought..nar fuck it's a great sight..love her arse!

STEWARDS..Lesser Dipshit..Hares in..Heru can't drink as he has the shits..shade of things to come..Hash Shit! As it's AGPU season all the GM's and future GM's of all our Hashes..Saturday. Pooying, Kamala Koma, Tinmen, Bike Hash and Iron Pussy..well done the outgoing GMs and good luck to the incoming ones! Rampant Rabbit and his Pam..LD noticed that on the Walk they took a trip into nearby bushes..what for, well what you think..not a tinkle!..It's family time again.. Wilma and Butt Plug and their two sons..just like the old times, all the family together..well done you four! Butt Cycle in, as they walked the Run together and he looked after LD..thank you. Manneken Pis and Bunneyken Pis..they were running together but at the finish B Pis had to take off M Pis's socks for him..he was that stuffed! Well done LD, thanks!

DEPARTERS in Just Gorgeous and Not Long Enough..fuck knows where they are off to but have fun anyway!

HARES in..off with your hat GM..JC is this week's Run Master. Lizard Eating Cunt is the Hash Shit Holder. The Run Master thought it was a good Run but the circle was calling for Hash Shit, wonder why?..who's it to be then..no other than our **GM, Who The Fuck Is Alice..HASH SHIT!**

Our great GM closes his last circle and what a good year it has been. A total of 187 Hashers attended and supported his two main events, outstation run and the dinner and dance, you've had free Run shirts, Songkran towels and water guns and enough 30 Baht beers until it runs out of your ears. WHO THE FUCK IS ALICE...WELL DONE..For me all I can say is....THE FROG DID GOOD !

ON ON, NOT CLEVER (SCRIBE, FOR THE LAST TIME!)
