

COMMITTEE MEETING MINUTES

29 NOVEMBER 2017

TOP OFF'S HOTEL KARON

ATT: GM, Tootsie, Manneken Pis, Blue Harlot, Fungus, Lucky Lek, Google Ass, Slow Cunt, Billy No Mates, Pole Position, Repressed One, Not Long Enough & Not Cleaver. Apologies : Go Go Trump & Mind The Gap.

The GM opened the meeting by thanking all that took time to attend his second meeting.

HASH CASH : Manneken Pis told us that we are well cash positive, with the funds from volunteering to be added.

REGISTRATION : As requested by the Registrars, Tootsie as Web Master will design in a button in the registration function to show stats when the Registrars have completed their onsite work on the tablet...The Registrars also request that they are given time to complete the input from the two Bus Stewards, so they too can join the Run at the start. With the bus arriving with only minutes to go, they cannot Run until later. Also...The overwhelming majority of bus users would also appreciate more time prior to the start of the Run. They want time to buy water, relax and socialise with other members before they Run...To accommodate both aspects Manneken Pis will discuss with King Klong with a view to bring forward the bus times by at least 20 minutes.

VOLUNTEERING : Fungus reported that 52 Hash members supported the Laguna Triathlon as volunteers on the bike leg. All went well and the organisers were again pleased with our efforts in keeping competitors and the public safe. The GM thanked Fungus.

LIVING IN PHUKET EXHIBITION : The GM asked that the Hash exhibit again this year. Not Cleaver set up and manned our exhibit all day last Saturday 25 November. It was well attended, with many showing interest in the Hash. It was agreed that we exhibit next year also.

HASH BALL/DINNER DANCE : The hotel is booked for Friday 1st June 2018, along with the DJ. Costs will remain the same as last year and ticket prices for members will also remain the same.

AWAY WEEKEND/OUT STATION : Lucky Lek gave out details of a resort in Ko Lanta, which he had just returned from. All agreed that it looked a good site. GM and Fungus will visit a s a p to make final decision and firm up details...Sat/Sun 28/29 April 2018 are our target dates. Manneken Pis, Fungus & Not Long Enough will be the Ko Lanta Team.

CHARITY DONATIONS..One has already been made, 8000 Baht to the Special Handicap School in Kathu. GM will look for a charity in Rawai and Fungus will approach one in the north of the Island. Both for similar amounts.

BUSINESS CARDS : These have been very successful and are well used by many Hashers for info and promoting the Hash. Fungus will order a reprint of the same amount as last year.

PROMOTING THE HASH : Not Long Enough suggested that we create an event on Facebook every week about details of the weekly Run. We can then share this with Phuket New Era Expats Group on their Facebook. This will get info about the Hash to many new younger people. Repressed One will undertake to do this on a weekly basis.

The GM again thanked all attendees and closed the meeting.
