Old Business:

1. Sponsorship- there has been no progress on this issue. It will be raised again at the next meeting in Feb 2019.
2. Outstation- there has been little progress on this issue. A review is to be conducted and once a decision is made a Committee will be formed to co-ordinate it. Current potential locations are Khao Lak and Phang Na for a date in late March.
3. IT issues- ongoing and being addressed by Tootsie.
4. Downs Downs- a reduced fee has been agreed with the Beer Truck. They are not prepared to supply large bottles though.
5. Raffles- there will be no Raffles planned for the future.

New Business:

1. It was proposed that due to a conflict with King Klong's 70th Birthday Party on 26 July 2019 the AGPU be moved forward to the date of the formation of the Hash. This was approved and the AGPU will take place on Thursday 13 June 2019. Future AGPUs will occur on the second Thursday in June and will not revert to July
2. The Christmas Run on 22 December 2018 will consist of a Fancy Dress Run for those who want to participate. Hash members are encouraged to bring food if they wish. Toys/gifts will be provided for the children. The Run Site will be centrally located to encourage maximum attendance.

Finances:

1. A Finance Report was put to the Committee and the austerity plan seems to be working at the present. Funds are slowly increasing. The acceptance of the report was not put to the vote.
2. It was proposed that the Run fee for Virgins be raised to B500, to include the price of a shirt. Local Virgins will have the option of paying B100 but not receiving a shirt. This was carried by a majority vote. The increase is due to the fact that the current sale price of 300 baht per shirt does not cover the cost of providing numbered run and special shirts to members. This price increase will become effective 1st Saturday of 2019.

3. It was proposed that the Run Fees be increased from B60 to B80, effective 01 Jan 19. There has not been an increase for a number of years and the majority of the committee considered the increase to be warranted. This was carried by a majority vote. It was decided that the effective date of the increase be the first Saturday of 2019. The GM will post the reasons for the increase on the web site to advise all members accordingly.

4. There is a requirement to restock impedimenta as 'normal' size shirts have run out. Tents remain available though. Funds will be allocated for this. Agreed by the majority.

Other Business:

1. Nothing has agreed to assist with Impedimenta sales and will pursue an aggressive sales campaign

All Items above were agreed to by the majority of members present.

Proposals from the Floor:

There was a proposal from the floor for those who decided not to attend Saturday Runs but conducted their own runs to have the registration money forwarded for Saturday Run Credits. This was unanimously rejected.

Meeting Closed 2045. The next meeting will be conducted in Feb 2019, date tbc.
