GM Butt Plug called his first committee meeting for 17 Aug at the Expat restaurant in Patong starting at 18:00 PM.

Attending: Butt Plug, Not Long Enough, Wilma, Lucky Lek, Crack A Boner, Manneken Pis, Up The Back, Joxymoron, Jaws, & Fungus as scribe.

GM BP opened the meeting noting that with 5 ex-GMs on the committee he would expect everything to continue running as smoothly as it had under RA Not Long Enough. Butt Plug said he would continue with a similar “hands off” approach to management followed by asking each committee to report.

Impedimenta Wilma reported on stock, inventory and special shirts saying sales were positive and increasing as our registration numbers also are increasing following covid. Wilma will work with Hash Cash to compile an asset valuation report.

Hash Cash Crack A Boner reported we are in good standing and invites anyone with questions to see him. GM BP's financial targets include sponsoring several special events such as Vegetarian Festival, New Years, Songkran, the 1900 Run in March and the outstation run, ending with a great AGPU while leaving sufficient funds for the next GM. It was agreed that all sub-hashes are asked to pay 1,000 baht/year for paper use.

It was agreed that Wilma and Little Toe will organize an Outstation Run to be held north of Phang Nga in May of 2023.

Up The Back will meet with webmaster Tootsie to assist in removing out-of-date content and adding a few useful features to our website.

Saturday transport was discussed and a call put out for a volunteer willing to organize a van from Kamala and Patong possibly using a service like Line. See the GM to help.

GM Butt Plug thanked everyone for their support and work, then closed his first meeting inviting everyone to order from the menu and of course have another beer, or two.
