1. **GM opened** with a warm welcome expressing his gratitude to all of the committee members for their support.

3. **Impedimenta:** Jungle Balls reported that the rapid stand-in by Hawaiian Ho for Fucking Near Water was working out well although all PH3 members are asked to help promote our PH3 tradition of wearing Hash Shirts by personally introducing and encouraging the virgins & newer members to make a purchase, or even buying them a shirt as a welcome-to-PH3 gift.
4. **Volunteering:** Fungus reported great enthusiasm supporting our June event and that many new members are getting involved. Watch the website for Volunteering news updates. Our November volunteering role is still in development by the organizers so Fungus will keep us informed.
5. **Website:** Tootsie reports that he is nearing completion of this very large project that will be visible to us all soon.
6. **Next Year's Committee:** GM focused a discussion on the replacement committee for our next GM. All members are encouraged to get involved by speaking to the GM or any committee member to find out what might be involved in volunteering or to suggest a possible name to consider.
7. **Hash Ball:** Ticket sales are doing very well. GM stresses that registration is important and necessary for the best planning. Remember that Volunteers receive a discount and everyone can learn more by [visiting the website](#).
