

## COMMITTEE MEETING # 5

Thursday 18 March, 2021

GM: Wilma

[phuket-hhh.com](http://phuket-hhh.com)

GM Wilma opened his 5<sup>th</sup> and final Committee meeting at Shaker's restaurant in Rawai welcoming committee members: Twice Nightly, Jaws, Tequila Slapper, Lucky Lek, Not Cleaver, Murkury, Just In Beaver, Beaver, Invisible Man, Go Go Trump, Soi Dog, Tootsie, Ejaculate & Fungus (scribe).

Wilma thanked all committee members for supporting him through his 2-year term as GM especially recognizing the huge efforts by Invisible Man for Registration, Go Go Trump for Hash Cash and Just In Beaver & Beaver for handling Impedimenta. These positions often require several hours per week. The following points were decided on.

**Hash Cash** - Go Go Trump presented an overview with a bottom line that we are in very good position at this time.

**Impedimenta** - Just In Beaver reported a revenue-positive year that included covering the cost special run shirts and that existing stocks are not a burden.

**Outstation Run** - Go Go Trump and team have made an outstanding deal at a *gorgeous* resort for our May 7th - 9th Outstation Run themed *From the Stone Age to the STONED AGE*. Details are now on the website and registration is available on the hash. Don't miss joining in on this Hippy Road Trip!! There's food and golfing available, hot tubs and tours and fun, fun, fun. [CLICK HERE](#) for all Outstation details now posted on our website.

GM & Runmaster reported that our Haring Guidelines are allowing all interested to hare.

Wilma also reported great supporting feedback from hashers for the special event foods that have been presented at about 5 of our runs-- and standby because Songkran is coming!

**AGPU** - Our AGPU, with food and beer, will be held on June 10th at the Patong Expat. Details will be announced soon. AGPU means changing out committee members so any interested hashers are encouraged to speak to a committee member or the GM about getting involved. Many of the committee have volunteered 2 or 3 years and truly deserve to step down and others step forward. Being involved brings added value to hashing, and even more beer.

Food was served during the meeting and eaten while discussing points, and by good planning or good coincidence the food and meeting ended about the same time so it was decided to congratulate ourselves and have another drink.

Meeting Closed
