

SCRIBE REPORT RUN #1917

Saturday 8th July 2023

Hares: Not Long Enough & Vegerector (Virgin Hare)
phuket-hhh.com

The Laager site was next to Ban Manik Dam in a wonderful little leafy layby, with very little through traffic. Fortunately we had a 'weather window' for the walk/run and it only rained briefly in the circle afterwards.

There should have been 4 Hare's but only Vegerector (VH) and Not Long Enough showed up. And so the role of Run Master fell to Joxymoron this week while Substandard got 'The Horn'.

Not Long Enough told the walkers it would be a fairly flat affair with a loop of 8. Bit of a lie - there were plenty of slippery ups and downs and 3 'raging torrents with sandy bottoms' to cross!

There were 2 runs today, with only Bjorn to Run (The Birthday Boy) and Manneken Pis choosing the 'Ball Breaker'. Allegedly, the 'other run' was a tough one. Due to the rain, it was more of a fast walk, as the trail became treacherous underfoot!

Back at the circle, clarification was needed for a Hasher's name. As his 'namer', B.C. was able to clear up the dispute... "Dick *is* The Future". B.C. followed it up with a clever dick joke.

No Lucky Lek again to make 'Announmen' but...

- The Iron Pussy is on Wednesday this week, with the On On at the Chill Bar. (Check the website for details)
- The Impedimentors again asked for any clean unwanted Hash T-shirts to be donated for resale.

Run offence highlights:

Repressed One; arrived late and missed the run (but with a very good hospital excuse).

Not Long Enough and Vegerector (VH); caught by Butt Plug trying to steal beer. Put down more names, claim more beers!

Fungus; made the injured GM walk through Bangla Road to the Expat Hotel after the Tinmen, according to Somebody Else's Dick.

The falsy at Suzy Wongs was good though.

Substandard; helped up a 'big step' by Wilma.

The Impedimentors; surprised at the 10 boxes of stock being handed over by Wilma in the week.

Welcome back returners:
Nah Hee Man, Tony (renamed soon after as Paul Snot – a Cambodian reference)
Little Toe and B.C. (left to right)

Welcome and fair play to Mother May I, Visiting Hasher, who ran in sandals!

The Hares; asked by Fungus, how many beers they paid to 'a guy' to lay out the whole trail with rope. None, just a goat! Manneken Pis, Substandard, Joxymoron and Goody Goody Moron; pulled up on their dress sense by Wilma.

The Steward Chaser

volunteered himself as this week's Steward. Up The

Back took us on a cultural voyage, first with a history lesson on US leaders. He brought in our Americans cousins to celebrate their recent Independence Day. Then we took a political turn and made fun of the recent US and UK leaders. What's not to laugh at!

Virgins with new shoes too. Ouch!

It was an intimate gathering this week and everyone made it into the centre for at least one 'Down Down'. Towards the end, the GM called on everyone who hadn't already been into the circle. Cheers!

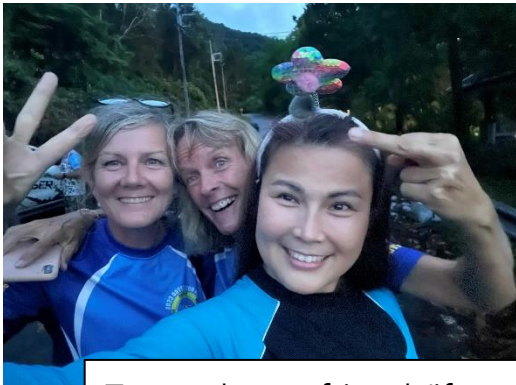

'50 Run' shirts this week for Five Hundred Baht and the very tall Up The Back, who had to get down on his knees for the ceremony.

Hash Shit this week went back to Not Long Enough for a truly treacherous run!
