Hares: Fungus, Masarap, Tequila Slapper, Sam Song & Lucky Lek

This week's Laager site was in Big Yais Plantation. It was a real beauty spot surrounded by plants and dotted with beehives. There were one or two cheeky ditches too (just ask Assterix about his truck). No rain until the end of the circle but there was a definite chill in the air!

This week's Hares (minus Lucky Lek)

Butt Plug was delighted (not) to be Hash Horn and wow, did we hear him! So much so, he ran out of pink paper – is this a first?

It was a scenic walk, mainly under the rubber trees on the plantation. There was an interesting mix of orange and blue paper attached to chopsticks and stapled to leaves as well as the usual multicoloured stuff. The highlight was crossing a waterfall on slippery rocks! An undisclosed source said the run was sketchy and most of the time was spent checking for paper.

There was a 100 Runs shirt for UFC, which he reckoned he's been waiting weeks for! Then we welcomed back a big group of returners. And some more run shirts...

25 Runs for Free Press

NO

50 Runs for Achmed The Saviour. (Or maybe that should be 100 as he usually runs it twice!)

'Announmen' but...

- Bike Hash, Sunday 23<sup>rd</sup> July
- Kamala Koma, Tuesday 25<sup>th</sup> July
- Committee Meeting, Thursday 3<sup>rd</sup> August

(more details on the website)

- Maraud Run (no details – top secret)
- The Impedimentors have got headbands and umbrellas coming. Any other merchandise you think might be good to sell on the Hash let them know.

Virgins... Why were they born so beautiful?

Run offence highlights:

\*The Hares plus Campari; Campari was branded a 'secret hare' by Top Off as he knew the place but couldn't find the paper.

\*Substandard and Not Long Enough; they finished the run in 25 minutes! The excuse given to Up The Back was 'dodgy paper'. But at least Substandard went back out and had another bash at it.

\*Clit Zipper; He was filming something up in the trees and gibbering away in German slang that even Julie Andrews couldn't understand.

\*Tootsie and Not Long Enough; spotted by Tequila Slapper running in the wrong direction. And Top Off accused them of a spot of short cutting too!

\*Tequila Slapper; when asked by Fungus about having the trail go through all the mud said, "Yeah, f\*\*\* them!"

Fungus wanted a rename. But Mask, named in Vietnam, tried to bribe the crowd with free beer if he could keep his original name. He did - cheers to the elusive Mask (who weirdly owns a microscope and a centrifuge!)

Tootsie got shit from Fungus because he secretly changed Take A Poll's name to Amazing Grace on website. It was quickly decided she would now be known as Amazing Disgrace! And she would not sit on that ice...

Somebody Else's Dick was a first time Steward today. He got off to an interesting start by forgetting to use hash names (lots of down downs for him). He managed to get a few jokes in so well done to ~~Johnny~~ Somebody Else's Dick! And how do the Scots pronounce 'purple burglar alarm'?

No Hash Shit for the Hares this week, "Good run, good run."
