Hares: Five Hundred Baht & Up The Back

phuket-hhh.com

Campari's dogs!

This week's Laager site was a in big grassy clearing in the very exclusive Layan Hills area. So posh, in fact, it was almost like being at a picnic site. There was literally nothing to complain about this week! And there was a real 'make love, not war' vibe around the circle too (Just ask

The Hares and the Horn
(good film title)

The walk was a scenic one, through tall bamboo in places. It was fairly gentle until we met a few

little cheeky ups and downs.

There were lots of fallen

trees to hop over or under. The paper was very well laid but someone still got lost and came in late. The run, I am told, was simply 'good'. High praise indeed. Thumb In The Bum, did a tremendous job and was credited with being a "Good Strong Horn!"

Cheers to the birthday boys, King Klong and Somebody Else's Dick, for 40 baht beers before we'd even set off! The beer truck went home a lot lighter.

Happy Birthday You C****

No Lucky Lek to make 'Announmen' but...

- Tinmen, Thursday 3rd August (check the website for more details)
- Committee Meeting, Friday 4th August (4pm @ The Expat Hotel)
- GM informed us that Ejackyoulate has sadly passed away. Raise your glasses...

Another big group of returning returners...

... and a smaller bunch of departing departers.

Run offence highlights:

*Open Plug; overheard by Swollen Colon saying she likes to 'go down'. I think she was referring to hills.

*Thumb In The Bum; frightened the shit out someone when he came up behind them and blew the horn in their ear hole.

*The late returners. Too busy picking stink beans.

*Did Fungus find Mask's mask?

Welcome to another bunch of
visiting Hashers.
Phuket is so popular!

Virgins... is this baby our youngest yet?

A literal christening for Jemma, who is
now called Flapping In The Breeze
- a loose reference to kite surfing.
(It could have been a lot worse!)

...And for Nick, his
new Hash name is
Doesn't Touch The
Sides.
(Could it be any
worse?)

Our Steward for the afternoon was... supposed to be Campari but we ran out of
time. We look forward to hearing from you next time...

And of course, as it was such a perfect day, no Hash Shit!

ON ON, Scribe, Takes It All In

(Actually she did not take it all in this week. She did take in a bit too much beer and
discovered her voice recorder hadn't worked and hence the short run offence
section!)
