This week's Laager site was up on the ridge above Ban Chalong School. It was a cosy little spot with cracking views out over Chalong Bay. It was a relatively quiet afternoon as a lot of members were at the Bike AGPU in Phang Nga.

You just put your lips together and blow...

The Hares kindly told us that hazards would be marked with stripy tape. But they didn't tell us to watch out for ATVs flying up the track! The walkers and runners set out together but not before

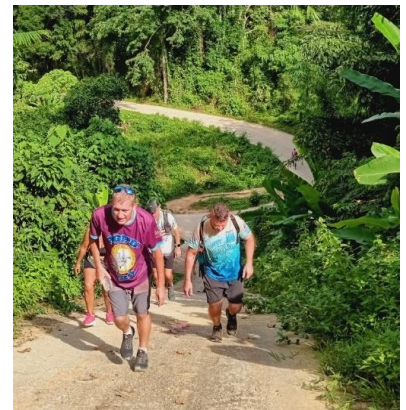

The Hares minus the Virgin Hares. Fungus said they had to stay home with the 'fresh' baby. I think he meant 'newborn'.

Polish My Crabs gave us a strangled toot on the horn.

Given the elevation of the Laager, it was a tough walk with steep

up ups and steeper down downs. Not much flat ground today but thankfully it wasn't raining! Unusually, the walkers and runners crossed paths a couple of times and we even saw the Hash Horn in action. Creature From The Blue Lagoon compared the horn blowing to an elephant with a cold. Back at the Laager, an undisclosed source said the run was tough with too many falsies way over a hundred metres.

Lucky Lek was here to say 'Announmen' but... there were none!

Happy Birthday to Bunny Hop (21 again!). And thank you GM, for giving in to peer pressure - 40 baht beers to celebrate his Dad's upcoming birthday.

Circle highlights/run offences:

Masarap laid a false trail down the concrete and off into the jungle. Apparently she tittered, "This is going to f**k up the front runners!" UFC enjoyed the extra exercise though.

Flying Dickhead called out some of the front runners to highlight how they don't shout 'On On' when they are on paper. So selfish boys!

Not Long Enough heard Jaws blaming Lucky Lek for a sh*t run and he should be barred from haring. Lucky Lek reminded Jaws that he gives him regular lifts on his bike. Here's to best friends!

The Hares put themselves on the naughty step. Whilst haring, they had to wait for Lucky Lek. He'd found a big piece of metal pipe and was dragging it back to recycle.

After walking for 20 minutes, Jaws and Shirley took the 'smart' decision to go back up (towards the Laager) whereas Flying Dickhead 'foolishly' continued down (and completed the walk).

Jaws stayed on in the circle for his Steward spot. He didn't have enough time for the 762 verses he would have liked to recite to Soi Dog. So instead he wowed us with some cheeky limericks. He finished off with a couple of songs (helped by the crowd); 'Roll Back' and 'Bestiality's Best'.

Hello Returners: Anal Blader, Chimbu Princess, Shart & On Her Back.

And goodbye Departers.
What no Bobagob?!

Congratulations to
Who The Fuck Is Alice on
700 Runs.
The 'take it off' chant
lasted a fair while as he
was wearing about 6
hash shirts!

Surprise!
Just the one Virgin today.

Finally, the Hares were called back into the circle
and the crowd deemed it a good run.
