

## SCRIBE REPORT RUN #1924

Saturday 26<sup>th</sup> August 2023

Hares: Manneken Pis, Piss Drinker & Gay Pimp (VH)  
phuket-hhh.com

The Laager site was in Chalong again this week, in the rubber plantation off Chao Fah West, Soi 47. It was a big turn out, which is a surprise as the road isn't numbered or named and the Hares went old school, giving only written instructions (no GPS).

Hash Shit spoiler alert – The Hares.

It was a bit of a strange start as the Hash Horn went to Manneken Pis, and apparently Gay Pimp isn't a Virgin Hare after all - stewards enquiry?! Anyway, the runners set off first, with the walkers following up the rear for a 'lollipop' style trail. The walk wasn't too challenging as it was mainly flat with only a bit of hill. There was lots of different terrain; rubber forest, roads, a track lined with rambutan and even a bit of bog. The run, according to an insider, was 'good' although there was a bit of confusion over the Hare/Horn status.

Back at the circle, it took a while to get going as Manneken Pis was slow at getting changed and Top Off was put on the ice immediately for talking over the GM (surely not again!). The Run Master, Not Long Enough, clarified that Mannekin Piss was the Horn because he wanted to sweep the area. That didn't work out well because Accident and a pair of walkers came back in late!

A big goodbye to Prince Charles Fucking Tossler as he's finally off for good. But the beer truck was thrown into a frenzy as he said the beers were on him for the next 5 minutes.

'Announmen' ...

Kamala Koma – Tuesday 29<sup>th</sup> August in the Layan Area

Iron Pussy Gala Dinner – Friday 15<sup>th</sup> September at Sabai Corner

(more details on the PH3 website)

Just too many Returners to name.  
New flip flops? Sit on the ice.

6 Virgins – it was all a blur!

Circle highlights/run offences:

Rampant Rabbit couldn't follow the instructions to the Laager and ended up in Rawai.

Mannekin Pis accused Ya Ba (and all the girls) of scrumping rambutan off the tree. They had in fact paid for the fruit, of course!

Mannekin Pis overheard Not Long Enough trying to pay kid's rates for his son, Not Short Enough. He's tall for his height!

The Blue Harlot had a bit of a wobble on the water jump. Joxymoron offered him a hand but when The Blue Harlot told him a wee Scottish joke, Joxy let go! Not very sporting!

Top Off thought that Manneken Pis was trying to send him off false trails. Then Accident came back in late and Top Off translated that he called Manneken Pis an idiot!

Campari got the chance to do his postponed Steward's spot today. Armed with a ream of paper, he told some good cheesy jokes and a couple that went over our heads. He did such a great job that the crowd called for an encore!

arrived priced at 360 baht.  
Get yours now before they go!

Goodbye Departers.

You know how it ends...
