

SCRIBE REPORT RUN #1927

Saturday 16th September 2023
Hares: Fungus & Achmed The Saviour
phuket-hhh.com

The Laager site was right up in the North East of Phuket in Ban Para. It was a bit squelchy underfoot but no surprises there as it is wet season. On the way in, beside the road, there was a worrying concrete ditch but it didn't claim any victims. There was a minor bus drama as the Patong minibus did need a push out of the mud. These drivers just don't learn - stick to the tarmac!

The third and final stand-in GM for Invisible Man was Bobagob. He lived up to his name and did a great job of keeping the circle entertained and in order. The Hares warned us about a deep water crossing and off we went. Wait... who's the Horn? A last minute shout to Scammer before he scarpered.

It was a pretty walk with plenty of ups and downs. There were lots of obstacles to get over and under too. The blue paper was patchy in places but it took us through bamboo forests, over streams, through a tunnel of fallen bamboo and a hibiscus-lined road. The run, so I heard, was a good one with lots of interesting technical aspects; slippery river crossings etc.

The circle started in the traditional way with the Hares and the Horn being thanked. Although Wilma thought the Hares should send out a 'rescue team' for the hashers who were still out on the trail. The GM yelled, "Announcements" as Lucky Lek wasn't here (very clear pronunciation):

Pooying - Sunday 17th September in Rawai.

Jessica and Shit Shag - sponsored charity walk from Sarasin to Promthep Cape over 3 days. Contact either of them if you'd like to join in. Unfortunately, no date was given but keep an eye on the PH3 website/Facebook page.

From Bobagob: Chiang Mai HHH - Cherry Breaker 29th November.

T-shirt time:

50 Runs for Seamen Stains

100 Runs for Energizer Bunny

200 Runs for Mother Rucker

600 Runs for Fungus

900 Runs for Bum Scraper

Fungus was today's Steward. Again, as tradition expects, he called the Hares into the circle to thank them (himself). He had some good gags and anecdotes; Seaman Stains, Substandard, Repressed One, Not Long Enough and Too Old To Fuck were the material for his set. The highlight was the hilarious 'spoon in the mouth game' with

Substandard and Any Crack Will Do. According to Rusty Hook, they played this in the navy but they didn't use a spoon!! And, there was another small person naming. Gay Pimp's daughter will now be known as Pimp Squeak. She's eyeing that beer! And to finish, the charming birthday song for Five Hundred Baht.

Hello again Returners.

Gay Pimp brought a Virgin, Nemo and helped 'welcome' him to the Hash.

Circle highlights/run offences:

Incoming! The GM asked Ejackulator where he'd been. He replied, "I was told to follow paper. Paper, where are you? Where did you go?" Better late than never.

Woodpecker thanked all the Iron Pussy girls for last night's Gala celebration. Hash shirt or no shirt, Limbo. On the ice you go!

Jaws called in Piss Drinker and his son, Arthur, for a naming. Piss Drinker's suggestion was Meatball because when Arthur whinges, a little vein pops out and he goes all red, just like a ... meatball. Jaws made it plural, so meet Meatballs - Here's to the future of the Hash!

And say hello to Big Pomelo. She was named on the latest Iron Pussy. Jaws wanted to name her last week but she wasn't here. Too slow!

Bobagob had some banter with these newish members, throwing out some possible Hash names. The chap on the left got christened - Any Crack Will Do. Fish can wait for a couple of month when he's back again.

Jaws recalled the last time they played 'the spoon on the head skit' with Chicken George. He had his head cracked open playing and then wanted to fight the skull-cracker. And that game was never played again until ...

Not Long Enough came in to finish proceedings. Everyone called "good run" so the loo seat stayed with Clit Zipper. Until... Substandard wanted the Run Master in the circle to say, "Three times you've given me the horn." After a bit of laughter and a bit of a misunderstanding, here's how it ended...
