

## SCRIBE REPORT RUN #1934

Saturday 4<sup>th</sup> November 2023

Hares: Joxymoron, Goody Goody Moron & Fungus  
phuket-hhh.com

This week's Lager site was slap bang in the middle of an active ATV trail, on a ridge over Chalong West. Despite that it was a good turn out and the sun shone down on us (although it went a funny colour later in the day).

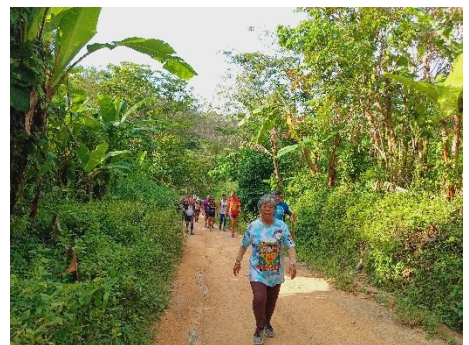

The Hares tried to explain how to follow today's paper. It was complicated though; The Tinmen had been in the same area on Wednesday and so it was going to be difficult to follow the right paper! Not a good omen for the day...

For the benefit of the new Hashers, Scammer gave a demo on the horn and off we went, under a cloud of 'paper' confusion. The walkers immediately cocked-up and missed the first blue paper turn! Joxymoron put us right and off we went again in the right direction.

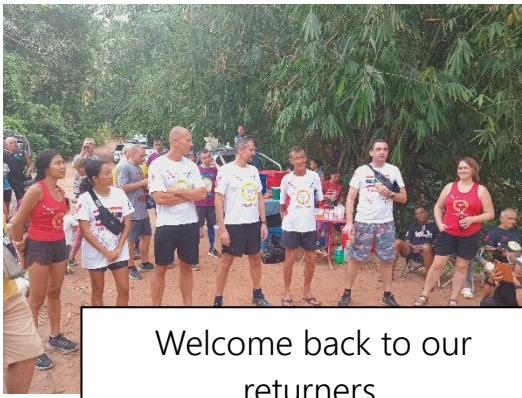

The first stage of the walk took us along the rat runs of the ATV trails. There were lots of shouts of 'incoming' as the buggies whizzed past. Fortunately, it quietened down when we got into the 'real' jungle.

Everyone made it back to the circle alive, although we couldn't quite form a circle because of all the ATVs that came through. It was a bit like sitting in the middle of a main road! We were up and down in our camp chairs like yo-yos! The GM began

by thanking the Hares. The Horn, Scammer, didn't stay for the after party but Substandard was hauled up (as a stand-in) for heckling him.

Welcome back to our returners.

Happy hatching day to Meatballs, and yes he did get the 'special' birthday song.

Lucky Lek gave his unique cry of, "Announmen":

- Wednesday 8<sup>th</sup> November - Iron Pussy in Patong
- Sunday 12<sup>th</sup> November - Pooying
- Wednesday 22<sup>nd</sup> November – run on Phi Phi Island.  
Speak to Philthy Pishead for more details.
- Prince Charles Fucking Tosser made it to America and isn't coming back!  
(That's a good thing)

{{ See the PH3 hareline for more details}}

There was a bit of confusion about who today's Steward was. Jaws was just about to step-in with a bit of his legendary poetry when Tootsie finally realised it was him and stepped up to do his spot. He started by 'sucking up' to Invisible Man, saying he's the best GM ever! Then he won the kiddies vote by sending around his daughter with some Halloween candy. He told some funny stories based on his 'famille' and some 'HHH jokes' that he'd obtained from ChatGBT (artificial intelligence) – everyone agreed that A.I. can't tell good jokes!

An icy welcome for the Virgins!

Ice Humper's got 2 new shoes!

Fix Her Up and Spare Parts are new members of the Hash (6 runs done)

T-shirts:

200 Runs for Fussy Pussy

25 Runs for Somebody Else's Dick

Virgin Hare shirts for Limbo (her) and Bimbo (him)

200 Runs for Gone Already

Circle highlights/run offences:

Wilma told us that in the Congo they load up donkeys to carry goods. He had seen Joxymoron and Goody Goody Moron out shopping that morning. She was wearing a huge backpack, which he was loading up with shopping!

Fungus clarified that Goody Goody Moron and Joxymoron had bought and delivered some 'goody bags' to some less fortunate residents along the trail. Round of applause from the crowd!  
Also note, that you don't have to be a Hare to identify and deliver these types of donations - Just chat to the GM.

Energizer Bunny brought in Gay Pimp as a stand-in for hubby, Piss Drinker. It seems Piss Drinker has been hoarding HHH signs and bags of paper at home. As he's not around for a while she decided to get rid of his sh1t ! Here's to the thief...

Manneken Pis dropped his Co-Hare from the Tinmen in 'it'. When they were laying paper last week, Tootsie decided to take some of the 'post-it' markers away that Fungus had put up for today's run. That's why today's run was 2km shorter than it should have been...

Wilma noticed how the Impedimenta always have a 'down down' each time they give out a shirt. As Seaman Stain (not Strain, Wilma!) pointed out, "There's got to be a perk!" Double them up – well deserved!

Philthy Pisshead couldn't hear Wilma's 'fantastic' story because Repressed One and Not Long Enough were gossiping about beer and German sausages! They were invited onto the ice to discuss sausages some more!

As the sky grew more and more orange, it was time for a few rounds of "The Hares" song. But when Philthy Pisshead sang one of the verses a second time there were cries of "Ice!" and on it he got. Not Long Enough summarised the day; the run was good but short, the Hares had been community-minded with the food parcels but the Lager site was a fail. So it was a fifty fifty split between 'Good Run' and 'Hash Shit'. And because Philthy Pisshead was on the ice, Not Long Enough crowned him with Hash Shit. A bad case of being in the wrong place at the wrong time!
