Hares: Dr. Fucking Jekyll, Murkury & Bjorn To Run

phuket-hhh.com

This week's Laager site was in Kathu – Red Mountain Golf Area, and a very nice spot it was too, apart from it being as hot as the bowels of hell. Oh and it was a radio blackspot with no phone signal. Before kick off, most sensible folks tried to find a shady place to wait in. And when that wait was over, Invisible Man introduced today's

crew and warned everyone about the dangers of heat stroke. Good call GM! Free Press willingly took up the Horn and a teeny tiny bag of pink paper and away we went...

...into the jungle in single file, like naughty children. The walk started gently enough and after a short time we started our ascent, mainly sticking to the shade of the trees. It was as sandy as buggery in one patch as our feet kicked up plumes of dust. Thankfully it wasn't too long or strenuous under the blazing sun. Given it was a holy day, everyone was happy to see the beer truck stocked with ice-cold malty refreshments. They sold like hot cakes!

Back at the Circle...

...we started by 'moistening' a few virgins. Only 5 came forward out of a total of 7.

What a lot of returners. Welcome back all. (Look, no Bobagob You Twat!)

And F.O.Y.C.s to our departers. (Good luck to Substandard and Seamen Stains in Hua Hin...)

Lucky Lek announced, "Announmen":

- Mountain Bike Hash, Sunday 19<sup>th</sup> February @Rubber Plantation near GWM
- Kamala Koma, Tuesday 27<sup>th</sup> February @Manik

(More details on the PH3 website)

- The GM has lost his phone so eyes peeled (we couldn't ring it as there was no bloody signal!)

A warm welcome, as always, to visiting Hashers...

'Master of the new shoe ceremony', Who The Fuck Is Alice put on a good show...

For Tootsie, 'love is' drinking out of your partner's shoes. He's a keeper, Amazing Disgrace! (and a nice rude call from Substandard about spitting not swallowing for you)

Drink it down Accident.

T-shirts:

50 Runs – Rubber Toe

444 Runs – Teacher's Pet

Steward Spot:

There was no one lined up for the Steward Spot this week. So well done to The Blue Harlot and Keyhole for stepping in at short notice. They both had everyone laughing long and hard. They managed to weave unwitting Hasher's names into their jokes and 'true stories'. A visiting Hasher donated a patch each to our gag-giving geezers.

Circle highlights/run offences:

Dr. Fucking Jekyll was chucking out his well-used shorts. Jaws had been lusting after them and so they were presented to him. Oh no – too big – thank god they've got a draw string!

Gay Pimp called in all the Buddhists for a holy day Down Down. Cheers Ears!

Amazing Disgrace wanted to know why the visiting Hasher was called Amazing Grace. Gamp Pimp had to tell her, "We know where she's from and we know where you've been". Harsh!

Jaws pulled up the Hares (SS standing in for Merkury) for their shit choice of Laager Site on such a hot day. He compared it to Death Valley and claimed you couldn't grow a mushroom here!

Laying paper for last week's run, Fungus told Masarap to throw some paper over a wall to create a Falsie. She asked who'd be stupid enough to follow it over the wall... Step forward Philthy Pisshead.

Wilma called in the Hares. Before the start of the run, we were told to take care with a section taped off in orange. Manneken Pis took no heed and touched it and found out it was barbed wire!

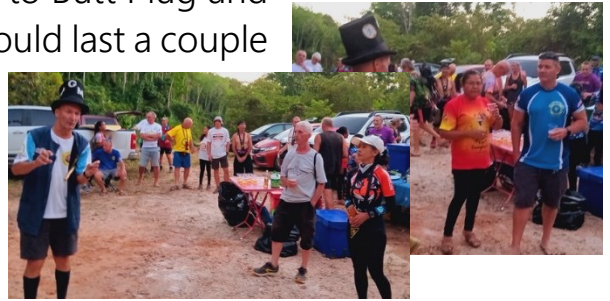

Sweaty Bollox asked Substandard to come out (not the closet!). It seems that Substandard has been hoarding paper at home. Sweaty Bollox can always root out the truth.

We ended the circle with a few thank yous. Firstly, to Butt Plug and Woodpecker for 'acquiring' 50kg of paper. That should last a couple of weeks...

Ta to Fungus, Lucky Lek and Tequila Slapper for organising the details of the Outstation together.

And the final 'Q' came from Substandard to the new Impedimenta. (And the last time we'll hear Wilma say "Seamen Strains")

And then it was that time when Not Long Enough came in and tried to influence the crowd with his opinion of 'Good Run'. But we're not sheep so we made up our own minds and agreed, 'Good Run!'
