

# SCRIBE REPORT RUN #1951

Saturday 2<sup>nd</sup> March 2024

Hares: Butt-Cycle, Tequila Slapper & Fungus

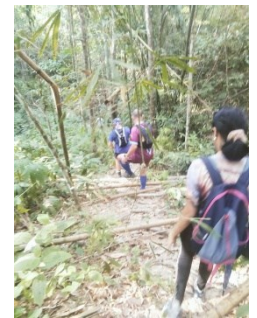

phuket-hhh.com

This week's Laager site was up in't North at Ban Para – above Ban Para School. It was a lovely leafy location in the middle of.. yes, a rubber tree plantation. The Hares assembled (but TS was hiding out at the start of the trail, waiting to take photos). Honking Dickhead was picked as Horn and wowed us with his honking abilities. (Fast forward – he 'horned' well.)

The runners set off first, as it was a bottle-neck start and they didn't want to be slowed down by us walkers! But that soon changed as they found their first false and our paths crossed. Jaws would be pleased to know we blocked them good and proper! Apparently it was a lovely trail although I spent my time looking at the ground, watching where my feet were going! There were piles of leaves underfoot (hiding uneven ground), bamboo to climb over and under and wobbly rocks to negotiate. King Klom came a cropper, bumped his head and had to be assisted out and off to hospital.

Back at the circle, it was t-shirts first...

Accident and The Coroner announced, "Announmen":

- Tinmen, Wednesday 6<sup>th</sup> March @Manik (More details on the PH3 website)
- Update – The GM found his phone (he'd left it at home – doh!)

A renaming of Banana Sundae – inspired by Spare Part picking his nose and making it bleed. She wondered if he would eat it... Hello to Booger Me.

Hello and welcome back to our returners.

Up The Back got sung to H.B.Y.C.

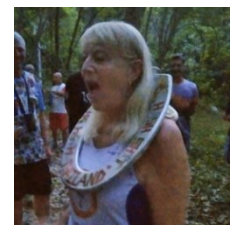

Visiting Hashers from Taiwan (reluctantly wearing PH3 shirts) and the Philippines.

Jiggly Jugs led the Steward Spot and came armed with some clever 'true stories' based on fellow-hashers. The theme seemed to be 'partners, relationships and a smattering of sex'. Ejackulator and Creature got a mention, related to money. I got dragged into it with a home appliances tale. Tinkerbell learned that Gobby's got a twin sister! Swollen Colon got a tirade of abuse and Shit Shag, Fungus and Scammer were targeted too. Big round of applause for JJ!

As always, there were a host of run offences. Thanks to Philthy Piss Head, Fungus, Keyhole and Up The Back for their contributions.

The GM brought the day to a close, as there was no Run Master. Well, was it a 'Good Run'? Yes said everyone, except for Tumble Dryer...
