Saturday 16th March 2024

Hares: Sam Song, Fungus, Lucky Lek & Masarap

This week's Laager site was in Kathu – Bang Wad Dam Reservoir Quarry. It was a sheltered spot with a sparkly mica surface and plenty of small camouflaged rocks to trip over. The GM introduced the Hares, minus Masarap. We were given long and complicated instructions; so as well as looking out for multicoloured paper, there would be orange spray-painted marks, orange tags on trees and chalk marks on the ground. We were told the run/walk would be 'cute and funny' (WTF!) and there definitely should not be any short-cutting (or else)...

The runners were just about to go when it was realised there wasn't a Horn yet... The Run Master was nowhere to be seen. When he finally got his arse into gear he was left holding the horn as everyone else had fucked off! Well done NLE.

So the 'cute' part of the trail was zig-zagging backwards and forwards through the mountain bike course. Oh how we laughed! But then no-one could see where we had to go next. Everyone was wandering backwards and forwards again, like headless chickens. Eventually the right way was found and it was a pleasant walk past the golf course. The trail was as flat as a fart but that was good on such a hot day.

Back at the circle, Lucky Lek announced, "Announmen":

- Poo Ying 17th March @Chalong Chao Fah Tawan
- PH3 Outstation 3-5th May @Ko Yao Noi <https://phuketdir.com/outstation2024/>
(More details on the PH3 website)

Come and secure your place for the Outstation Run!

A case of mistaken identity by the GM between Sweaty Bollox (Hash Cash) and Baldylocks (not Hash Cash).

Happy St. Patrick's Day to Repressed One and the 'Plastic Paddies'.

Hello to our Visiting Hashers.

Welcome back Hashers. The couple on the right did PH3 run #3!

25 Run shirts for Wise Man – how chuffed was he?!

A nice hot day for getting iced. Welcome Virgins.

Any birthdays? Yes, David the Virgin. H.B.Y.C. (He didn't know what was going on!

Despite it being only his 4th visit and not even having a Hash Name, Scott, made his debut as a Steward. He started with a very informative "on this day in history..." slot. Then there was a 'flipping' good game (video on Facebook) between some of the more competitive boys. And the 'son of Jaws lookalike' finished with some facts about the origins on the HHH. A very noble effort Scott!

As always, there were a host of run offences: Shortcutting through the golf course and being threatened by a guard with a machine gun! A 'horny' Wilma, knowing there were lots of short-cutting opportunities. A story of Flying Dickhead's new 'millionaire' shoes. A few dodgy political comments, lightened by a few 'blue' Blue Harlott jokes. Then it went very political again and The GM had to call for order! It was like being at a Trump rally! (Thanks to Philthy Piss Head, Jaws, Butt Plug, Not Long Enough, Fungus, Wilma, Manneken Pis, Lucky Lek and Campari for their contributions.)

And in the kerfuffle, when I next looked up... And so Campari kept the bog seat and got Hashit for the day!
