GM Butt Plug called his second committee meeting for 19 January at Shakers restaurant in Rawai beginning at 18:00 PM.

Attending: Butt Plug, Invisible Man, Wilma, Tootsie, Lucky Lek, Crack A Boner, Manneken Pis, Up The Back, Joxyoron, Jaws, & Fungus as acting scribe.

GM Butt Plug welcomed the committee saying he was “over the hump” and PH3 was running smoothly, just as he'd predicted with having 5 ex-GMs on the committee, so our meeting would be short. Saturday attendance is still increasing as we return to more normal travel.

Impedimenta Wilma reported inventory, special shirts and sales were fine.

Hash Cash Crack A Boner reported we are in good standing and invites anyone with questions to see him. GM BP's financial targets include supporting several special events like run the coming run #1900 in March and the Outstation run in May.

Run #1900 will be on coconut island. Do to run times and tides run #1900 will follow run #1901 by one week. Follow details on the website.

Wilma and Little Toe continue organizing the coming Outstation Run to be held near Phang Nga May 5-6-7. Watch for details coning soon on the website.

GM Butt Plug closed the meeting by thanking everyone for their contributions as we transitioned from paper & pens to plates & forks for a fine meal with plenty of beer.
